¹ Based on 2014 Ward's Upper Middle sedan segmentation. ² This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of their surroundings and be prepared take corrective action to avoid collisions. ³ Additional fees will apply for Dealer Activated Navigation. ⁴ The advanced front air bags in this vehicle are certified to the federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. ⁵ No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. ⁶ Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. ⁷ Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone. ⁸ Requires SiriusXM radio subscriptions governed by SIRIUS terms and conditions available at siriusxm.ca ⁹ Not compatible with all garage door openers. ¹⁰ Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. 3D navigation may not be available in all areas.

[†]Prices as shown are MSRP. Excludes freight (\$1,695), air tax (\$100), insurance, registration, license, retailer administration fees, new tire. Duties in Quebec and dealer accessories are not included. Retailer may sell for less.

*Late availability
