**Fuel Economy** Based on 2015 EnerGuide fuel consumption ratings. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. Use for comparison purposes only. Ask your retailer for EnerGuide information.

	City L/100km (MPG)	Highway L/100km (MPG)
3.6L Pentastar VVT V6	13.9 (20)	9.8 (29)
5.7L VVT V6 MDS	17.3 (16)	11.5 (25)

1. Based on WardAuto Middle Market segment. 2. Up to 950 kilometres on Dodge Durango models equipped with the 3.6L engine. Driving range based on 2015 EnerGuide highway fuel consumption ratings and fuel tank capacity. Your actual driving range will vary based on powertrain, driving habits and other factors. Use for comparison purposes only. 3. Never program while driving. GPS mapping and available 3D navigation may not be detailed or available in all areas or reflect current road regulations. 4. This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of their surroundings and be prepared to take corrective action to avoid collisions. 5. The advanced front air bags in this vehicle are certified to the federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 6. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone. 7. Requires SiriusXM radio subscriptions governed by SIRIUS terms and conditions available at siriusxm.ca. 8. No system can repeat the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 9. Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. 10. Additional fees will apply for Dealer Activated Navigation. Retailer may sell for less.
