

Sterling McCall FIAT Opens in Houston

August 24, 2011, Houston - Chrysler Group LLC announced today the opening of Sterling McCall FIAT in Houston, Texas.

Sterling McCall FIAT joins more than 100 open FIAT Studios across the United States. This newest FIAT Studio, at 10505 Southwest Freeway, is the 10th FIAT Studio to open in the state of Texas this year. Sterling McCall FIAT is a Group 1 Automotive Inc. dealership.

"We welcome Sterling McCall FIAT and Group 1 Automotive to our fast-growing family of FIAT Studios in the United States," said Laura Soave, Head of FIAT Brand North America. "The state of Texas is a key market for the continued growth of the FIAT brand. Adding a Group 1 Automotive-owned FIAT Studio to our network further strengthens our representation in Texas."

Group 1 Automotive, based in Houston, has 105 automotive dealerships across the country and in the United Kingdom. Group 1 transformed an existing building that housed a used-car operation into a new FIAT Studio during a months-long renovation. Sterling McCall FIAT is located along a bustling corridor of automotive dealerships in southwest Houston.

"We are delighted to add the Fiat franchise to our successful group of dealerships along the Southwest Freeway in Houston," said Earl J. Hesterberg, President and CEO of Group 1 Automotive. "We look forward to reintroducing the FIAT brand and see it is a natural complement to our product strategy. The Fiat models will provide a compelling small car alternative for our customers seeking fresh designs and fuel efficiency."
