TYLER BOWERS (No. 74 Dodge/Sycuan Casino/Hart and Huntington/Bel-Ray Racing Kawasaki) Finished 10th
"It was a good night. I stayed off the ground and that helps. I've been practicing on my starts all week with Kyle Lewis and I got a good start in my Heat Race and got a fourth-place finish. I tried to do the same in the Main, and when the gate dropped I don't know what I did wrong. I may have fed the bike too much or something. The gate dropped and everyone took off and I was rolling over (it) really slow and I had to play catch-up from there. I gained a few positions and had a good, solid ride to place 10th. I'm pretty pumped about it. I stayed off the ground and that gives me some confidence heading into next weekend at Vegas."

KYLE REGAL (No. 36 Dodge/Sycuan Casino/Hart and Huntington/Bel-Ray Racing Kawasaki) Finished 19th
"The Heat Race tonight went pretty good. I got a decent start around sixth or so. I passed a couple of guys, but rode pretty solid. I ended up fifth in the Heat Race.

"In the Main I got a decent gate and was riding around sixth or seventh for the first three or four laps. I messed up in the rhythm (section) and lost a few spots. Got back up to speed when me at (Brett) Metcalfe got together and we both ended up off the track near the rhythm section. It's just unfortunate. I was running up inside the top-10 like I wanted, fighting for a top-five for while when I got collected. It's a drag. I just need to look ahead to Vegas and see what I can do there at the last race."
