April 1, 2014, Mexico City - Chrysler de Mexico announced sales of 7,196 units for March 2014.

"Jeep® brand offers the best capability off road, without compromising luxury and comfort, thanks to its sophisticated technology components, efficient engines and advanced engineering. All of this has positioned the brand as the leader in the Mexican SUV segment," said Bruno Cattori, President & CEO of Chrysler de Mexico. "Last month we reported a sales record for the Jeep Grand Cherokee, which continues as one of the favorite SUVs. Another member of the Jeep family who is receiving a very positive reaction from our dealers and customers is the new Jeep Cherokee; this vehicle is the only one of its kind with a nine-speed automatic transmission. This year, we will continue bringing new and revamped products to the market, like the all-new Chrysler 200, a vehicle that will raise the bar in its segment."
