June 3, 2014, Mexico City - Chrysler de Mexico announced today sales of 6,900 units for the month of May 2014.

"During May, Jeep® Cherokee became the sales leader of the Jeep brand. This SUV has had an excellent acceptance thanks to its unprecedented features, such as automatic parking assistance, 10 airbags as standard equipment and nine-speed transmission. And, now that our dealers have a complete inventory of this vehicle, the sales numbers have increased," said Bruno Cattori, President & CEO of Chrysler de Mexico. "As proof of the world-class products we manufacture in Mexico, last month the fiercest Challenger SRT was unveiled. This vehicle is powered by the HEMI® Hellcat engine, the most powerful V-8 produced by the Group, proudly assembled in our Saltillo Plant."
