FCA US Design Team Announces Winners of Nationwide High School Automotive Design Competition at 'Meguiar's 63rd Detroit Autorama'

March 6, 2015, Auburn Hills, Mich. - Leaders of the FCA US LLC Design team today awarded four talented young artists at the "Meguiar's 63rd Detroit Autorama" for their winning vehicle sketches in this year's "Detroit Autorama High School Design Competition."

The FCA US Design team joined forces with the College for Creative Studies (CCS) and challenged U.S. public high school students to design a next generation Dodge vehicle for the year 2025. Students were asked to submit hand-drawn sketches of their vision, along with a 500-word essay explaining what the Dodge brand means to them.

"It's been exciting to see this competition grow from a local level to now reaching students from all across the nation," said Mark Trostle - Head of SRT, Mopar and Motorsports Design, FCA US LLC. "Partnering with CCS and Detroit Autorama gave us the exposure needed to attract young, creative minds and hopefully inspire them to explore automotive design as a potential career."

All four winners were awarded with prizes, including a three-week summer automotive design course at CCS (includes housing, meals and field trips), a MacBook or iPad, and passes to Detroit Autorama. The first place winner also received a \$60,000 scholarship to CCS.

The four student winners recognized for their futuristic designs include:

- First place - Joshua Blundo, Moultonborough Academy (Moultonborough, New Hampshire)
- Second place - Conner Stormer, Stoney Creek High School (Rochester Hills, Michigan)
- Third place - Hwanseong Jang, Bloomfield Hills High School (Bloomfield Hills, Michigan)
- Fourth place - Dongwon Kim, Homestead High School (Sunnydale, California)

The four winning sketches will be on display in the Mopar booth at the Detroit Autorama March 6-8.

About FCA US LLC

FCA US LLC is a North American automaker based in Auburn Hills, Michigan. It designs, manufactures, and sells or distributes vehicles under the Chrysler, Dodge, Jeep®, Ram, FIAT and Alfa Romeo brands, as well as the SRT performance designation.
