June 23, 2016, Auburn Hills, Mich. - "Flashlight" drag racing is back, but this time it's on Woodward Avenue ... and it's legal. Registration is now open for the much anticipated Michigan return of the "[Roadkill Nights Powered by Dodge](#)," TEN: The Enthusiast Network's popular drag racing event and car festival, which drew more than 10,000 performance enthusiasts to its inaugural event last year alone.

This year's event, taking place on August 19, 2016, is bigger and better, with a new, larger location at the M1 Concourse in Pontiac, Mich., a cash purse totaling \$19,000 and legal street drag racing on Woodward Avenue.

"Woodward is one of (if not the) most famous 'Muscle Car Corridors' in the country and, as far as we know, this is the first time ever that street racing on it will be legal," said Tim Kuniskis, Head of Passenger Cars, Dodge, SRT, Chrysler and FIAT – FCA, North America. "Drag racers will be able to show their muscle when Woodward is closed from South Boulevard to Rapid Street in Pontiac to create what is sure to be an epic kick off to the weekend's cruise events."

Leading the races will be David Freiburger and Mike Finnegan, co-hosts of ROADKILL, the most-viewed YouTube automotive original series in the world.

"This event is uniquely Roadkill. We are racing in a spot no one else would dare to run all in the name of fun. Show up and you'll see Roadkill cars, come and spend time with us and have the time of your life," said David Freiburger.

Additional celebrity guest appearances include Richard Rawlings of Dallas' Gas Monkey Garage and the Discovery Channel's "Fast N' Loud" TV show.

Open from noon to 10 p.m., the Aug. 19 "Roadkill Nights Powered by Dodge" event includes thrill rides in Dodge Viper, Dodge Challenger SRT Hellcat and Charger SRT Hellcat vehicles, a Show 'n' Shine area, Roadkill stunts and exhibitions, as well as live music, food trucks and much more.

"We're excited about hosting 'Roadkill Nights' as one of the main events during our newly branded 'Pontiac Power

Week' festival," said Mayor of the City of Pontiac Deirdre Waterman.

Following the huge success of the inaugural event held in Michigan last year, TEN: The Enthusiast Network's "Roadkill Nights Powered by Dodge" was expanded to two cities in 2016. The first stop, June 18 at Kansas Speedway in Kansas City, Kansas, drew nearly 12,000 spectators.

With first-time legal street racing on Woodward Avenue, this year's Pontiac, Mich., Roadkill Nights event is expected to be even bigger. Early registration at www.roadkill.com/PR is encouraged.

Fans can follow the action for both Roadkill Nights events at hashtags #Roadkillnights and #poweredbydodge.
