November 1, 2016, Las Vegas - Looking for a hard to find grille, wheel or emblem for that classic Mopar muscle car? Stop searching swap meets — help is on the way. Mopar announced today at the Specialty Equipment Market Association (SEMA) Show in Las Vegas a new restoration parts web resource, www.Mopar.com/restoration. The page will connect enthusiasts with more than 45 approved Mopar restoration parts licensees and more than 9,000 products to assist in restoring muscle-car era glory.

The www.Mopar.com/restoration website was announced at SEMA in concert with the reveal of new Mopar 345 and 392 Crate HEMI Engine Kits to assist in plugging 5.7-liter and 6.4-liter HEMI engines, respectively, into model year 1975 or earlier vehicles.

"The debut of our new Mopar restoration parts online resource, paired with the introduction of new Mopar Crate HEMI Engine Kits, underscores the Mopar brand's commitment to delivering classic Mopar owners the parts they need to restore their rides," said Pietro Gorlier, Head of Parts and Service (Mopar), FCA – Global. "This 'one-stop shop' website is a consolidated database of approved Mopar licensees that will save time and provide peace of mind to vintage Mopar owners and restoration workshops alike."

Mopar is teaming up with Classic Industries, one of the largest, most trusted licensees of restoration and performance parts in the country, to support the www.Mopar.com/restoration web page with technical and parts location assistance. Ordering support will be available at (800) 854-1280, with additional technical support at (800) 854-1280 ext. 5390. The hub will be part of the Mopar brand's home on the Internet, Mopar.com.

Popular parts that can be sourced at www.Mopar.com/restoration include:

- Interior/exterior emblems
- Sheet Metal (fenders, hoods, etc.)
- Grilles
- Upholstery/carpet
- Spoilers
- Bumpers

- Lighting lenses/assemblies
- Body decals
- Radiators
- In-dash gauges
- Steering wheels

Customers can search the thousands of available Mopar restoration products by licensee name, with direct links provided to each licensee, or by product categories including exterior trim, interior trim, sheet metal, underhood/underbody and manuals. Enthusiasts will also have direct access to a downloadable PDF of the Classic Industries Mopar catalog, featuring more than 550 pages of products.

Mopar

Mopar is the global name for Stellantis genuine parts and authentic accessories.

A simple combination of the words MOTO and PARTS, Mopar offers exceptional service, parts and customer-care. Born in 1937 as the name of a line of antifreeze products, Mopar has evolved over more than 85 years to represent both complete vehicle care and authentic performance for owners and enthusiasts worldwide.

Mopar made its mark in the 1960s during the muscle-car era with performance parts to enhance speed and handling for both on-road and racing use. Later, Mopar expanded to include technical service and customer support, and today integrates service, parts and customer-care operations in order to enhance customer and dealer support worldwide.
