## 2018 Fiat 500L Fact Sheet

September 1, 2017, Auburn Hills, Mich. - Building on the style, efficiency and driving enjoyment that has made the Fiat 500 an icon, the Fiat 500L expands the Cinquecento's appeal by offering 42 percent extra interior space with comfortable seating for five, engaging driving dynamics and a 160-horsepower 1.4-liter MultiAir Turbo engine, all wrapped in contemporary Italian design.

### New for 2018

- Redesigned exterior gives the 2018 Fiat 500L an updated look, with new front and rear fascia design, bodyside molding design, wheel designs, daytime running light lens and rear side reflector design
- Standard ParkView rear backup camera delivers additional driver convenience
- Revamped interior adds to customer convenience and ease of use, with features that include:
  - Thin-film transistor (TFT) cluster display
  - Improved center console with relocated cup holders, new gear shifter and new parking brake handle
  - Additional USB port
  - LED interior ambient lighting
  - New steering wheel and HVAC control knob position
- Uconnect 4 system standard on all 2018 Fiat 500L models, and includes a 7-inch display and Apple CarPlay and Android Auto capability
- New exterior paint colors available: Blu Denim, Arancio Pastello (Pastel Orange) and Bronzo Metallizzato (Metallic Bronze)

### Highlights

- Fiat 500L pays design homage to FIAT brand's history of innovative multifunctional vehicles. The exterior exudes contemporary Italian design with iconic Cinquecento cues. Inside, the Fiat 500L features segment-exclusive glass from the A- and D-pillars for an interior environment encapsulated by nearly 360-degree views
- The 2018 Fiat 500L Trekking expands the appeal and practicality of the Fiat 500L with distinct, rugged looks; unique front and rear fascia designs; flared wheel arches and unique 17-inch wheels to support its adventurous personality
- Building upon the Cinquecento's fun-to-drive DNA, the 2018 Fiat 500L features a touring-tuned chassis, which complements its MultiAir Turbo engine
- More than 40 available safety and security features are available on the 2018 Fiat 500L, including standard ParkView rear backup camera, electronic stability control, seven standard air bags and ParkSense rear park assist system
- The 2018 Fiat 500L features innovative technology, including standard Uconnect 4 7-inch touchscreen radio with Apple CarPlay and Android Auto; available navigation; Bluetooth handsfree calling, voice command and streaming audio; and SiriusXM Radio
  - Apple CarPlay enables iPhone users to access Apple Maps, Messages, phone and Apple Music through Siri Voice control or the Uconnect touchscreen
  - Android Auto enables easy and safe access to Google voice search, Google Maps and Google Play Music via the Uconnect 7-inch touchscreen or steering wheel controls
  - Uconnect 4 system includes performance improvements with faster startup time, enhanced processing power, vivid imagery, plus higher resolution and sharper graphics

## About FIAT Brand

Head-turning Italian design and the ultimate fun-to-drive factor come standard with every FIAT. That philosophy is embodied by the iconic Fiat 500 or Cinquecento – a small car that lives big. Born in Italy and rooted in a rich heritage, the 500 is now sold in more than 100 countries.

In North America, the Fiat 500 was introduced in March 2011 and was soon followed by the Fiat 500c (Cabrio), the high-performance Fiat 500 Abarth and Abarth Cabrio, the fully electric Fiat 500e, the five-passenger Fiat 500L and the all-wheel-drive Fiat 500X crossover. The FIAT brand continued its expansion with the introduction of the Fiat 124 Spider, a revival of the iconic roadster that combines Italian style, performance and engaging driving dynamics.
