2018 Chrysler 300 Fact Sheet

August 31, 2017, Auburn Hills, Mich. - The 2018 Chrysler 300 lineup delivers on the brand's promise of iconic and elegant design executed with world-class performance, efficiency and quality – all at an attainable value. Offering class-exclusive innovations and advanced technology at the driver's fingertips, the 300 lineup includes the Uconnect 4 system with Apple CarPlay and Android Auto, improved features and an award-winning interface. The TorqueFlite eight-speed transmission delivers up to 30 miles per gallon (mpg) highway fuel economy when paired with the award-winning 3.6-liter Pentastar V-6. Available on the Touring, Touring L, 300S and Limited is the segment's most advanced all-wheel-drive (AWD) system, which seamlessly engages at any speed to enable optimal traction and control based on conditions, driving style and road surface. Standard on the 300C and available on the 300S, the 5.7-liter HEMI® V-8 engine with 363 horsepower is the most powerful V-8 engine in its class. With numerous style packages, striking design and sophisticated interiors, the Chrysler 300 is America's big and bold sedan here to make a statement.

New for 2018

- Chrysler repositions the 300 model lineup to Touring, Touring L, 300S, Limited and 300C to better align with the all-new Chrysler Pacifica
- New entry-level Touring model offers cloth interior and 17-inch aluminum wheels
- Limited model now offers 20-inch aluminum wheels
- New Mocha leather interior option available on Limited and 300C models
- 2018 300C model comes standard with the 5.7-liter HEMI V-8, offering best-in-class V-8 horsepower and torque
- New available options include:
 - Sport Appearance Package and Chrome Appearance Package on Touring
 - BeatsAudio and Alloy Package on the 300S
 - Harman Kardon premium audio system, navigation, power sunshade, dual-pane sunroof on the Limited
 - Harman Kardon premium audio system, navigation, power sunshade, dual-pane sunroof and Sun/Sound/Nav bundle on the 300C
- New Green Metallic Clear Coat and Ocean Blue Metallic Clear Coat exterior paint options added to the lineup

Highlights

- Class-exclusive TorqueFlite eight-speed automatic transmission is standard on every model, delivering best-in-class V-6 highway fuel economy, plus best-in-class V-6 and V-8 driving range
- All Chrysler 300 V-6 models are available with the segment's most technologically advanced all-wheel-drive (AWD) system, which includes a segment-exclusive active transfer case and front-axle-disconnect system to improve real-world fuel economy. This advanced AWD system seamlessly transitions between rear-wheel drive (RWD) and AWD with no driver intervention to maximize fuel economy
- Chrysler 300S offers more athletic and youthful appointments to the lineup thanks to a unique 300-horsepower Pentastar V-6 engine with paddle shifters and sport mode, performance suspension, blacked-out exterior accents, 20-inch Hyper Black wheels, leather-wrapped sport seats, exclusive Piano Black interior accents and available signature 10-speaker BeatsAudio system
- As the pinnacle of the lineup, the 300C features model-exclusive Platinum Chrome finishes, 20-inch polished-aluminum wheels, sport mode with paddle shifters, available signature two-tone Indigo/Linen (Black and Mocha also available) interior environment with segment-exclusive deep-quilted and

perforated Nappa leather seats and door panels, hand-sanded natural pore wood, French accent stitching and leather-wrapped steering wheel with unique chrome accent ring

- Sport mode instantly transforms the personality and performance of the Chrysler 300S and 300C models by reducing shift times from approximately 400 milliseconds to 250 milliseconds, increased engine and throttle responsiveness, firmer steering feel and turns AWD “on” (if off) with AWD models for improved dynamics
- For drivers who want even more performance from the 300C model, the legendary 5.7-liter HEMI® V-8 engine with Fuel Saver Technology is standard for 2018, and delivers 363 horsepower, 394 lb.-ft. of torque, 0-60 miles per hour (mph) in less than 6 seconds and best-in-class V-8 driving range (EPA estimated 16 mpg city/25 mpg highway/19 combined)
- Chrysler 300 offers a 360-degree perspective thanks to the SafetyTec Plus Group’s Full-speed Forward Collision Warning – Plus, Adaptive Cruise Control-Plus with Full Stop, Lane Departure Warning with Lane Keep Assist, Blind-spot Monitoring, Rear Cross Path detection and more
- For drivers who want more handling capability, a performance-tuned suspension with increased spring rates, performance-tuned steering and bushings, larger sway bars (with V-8 engine) and Goodyear Eagle F1 three-season tires is available on rear-wheel-drive Chrysler 300S models

Chrysler Brand

The Chrysler brand has delighted customers with distinctive designs, craftsmanship, and advanced innovation and technology since the company was founded in 1925. Chrysler continues to build on that nearly 100-year legacy of creating ingenious products and technologies for mainstream customers, moving forward on an electrified transformation that will launch the brand’s first battery-electric vehicle in 2025 and an all-electric portfolio in 2028.

The Chrysler Pacifica continues to reinvent the minivan, a segment Chrysler created 40 years ago. The Chrysler

Pacifica Plug-in Hybrid symbolizes the brand's electrification evolution, representing the first electrified minivan in the segment and achieving 82 MPGe, an all-electric range of 32 miles and a total range of 520 miles. Chrysler Pacifica delivers the most standard safety features and most advanced available all-wheel-drive system in its class and is also the most awarded minivan over the last seven years with more than 175 honors and industry accolades since its introduction as a minivan.

Chrysler is part of the portfolio of brands offered by leading global automaker and mobility provider Stellantis. For more information regarding Stellantis (NYSE: STLA), please visit www.stellantis.com.
