2018 Chrysler Pacifica / Pacifica Hybrid Fact Sheet

September 1, 2017, Auburn Hills, Mich. - The Chrysler Pacifica reinvents the minivan segment with an unprecedented level of functionality, versatility, technology and bold styling. Re-engineered from the ground up on an all-new platform, the Pacifica delivers class-leading gasoline and hybrid powertrains to the minivan segment. With more than 100 available safety and security features, the Uconnect Theater rear-seat entertainment system, and a full array of comfort and convenience technologies, the Chrysler Pacifica is a no-compromises minivan ideally suited for today's families and has earned its spot as the most awarded minivan of the year.

The Pacifica Hybrid takes this revolutionary vehicle a step further with its innovative, advanced hybrid powertrain. It's the first electrified vehicle in the minivan segment and achieves 84 miles per gallon equivalent (MPGe) in electric-only mode and 33 miles of all-electric range.

 - Deep Mocha interior available on Hybrid Limited
 - Universal garage door opener standard on Hybrid Touring L and Hybrid Limited

Highlights

- The Chrysler Pacifica was re-engineered from the ground up on an all-new platform, delivering class-leading ride and handling and reduced noise, vibration and harshness (NVH). Its body structure is the lightest and stiffest in its class, making it more responsive with lower levels of body roll and enhanced agility to absorb and distribute road inputs. Class-leading aerodynamics contribute to the Pacifica's unsurpassed fuel efficiency
- The Chrysler Pacifica minivan features a choice of two powerful, efficient and advanced powertrains – the segment's first hybrid vehicle and the next generation of the award-winning Pentastar V-6 gasoline engine, which is mated to a segment-exclusive TorqueFlite nine-speed automatic transmission and delivers 287 horsepower and 262 lb.-ft. of torque
- The Pacifica Hybrid, the industry's first electrified minivan, delivers 84 MPGe and a range of 33 miles solely on zero-emissions electric power from a 16-kWh lithium-ion (Li-ion) battery, as well as a 566-mile total gas and electric range. The pivotal technology behind the Chrysler Pacifica Hybrid is its innovative eFlite single-electrically variable transmission (si-EVT). Designed by FCA US, the device features two electric motors, which are both capable of driving the vehicle's wheels
- The Chrysler Pacifica showcases the latest in advanced safety and security technology, offering more than 100 standard and available safety and security features, including 360-degree Surround View camera, ParkSense Parallel/Perpendicular Park Assist, Adaptive Cruise Control with Stop and Go, and Forward Collision Warning-Plus
- The Chrysler Pacifica is the most technologically equipped vehicle of its kind, offering the Uconnect Theater entertainment system with two 10-inch seatback touchscreens, 7-inch full-color driver information display, acclaimed Uconnect Access and an array of other features, including the Uconnect 4 systems with a 7-inch or 8.4-inch touchscreen, standard Apple CarPlay and Android Auto, and available 4G Wi-Fi
 - Apple CarPlay enables iPhone users to access Apple Maps, Messages, phone and Apple Music through Siri Voice control or the Uconnect touchscreen
 - Android Auto enables easy and safe access to Google voice search, Google Maps and Google Play Music via the Uconnect touchscreen or steering wheel controls
 - Uconnect 4 systems include performance improvements with faster startup time, enhanced processing power, vivid imagery, plus higher resolution and sharper graphics
- For audiophile-quality sound, the Chrysler Pacifica comes standard with six speakers and Active Noise Cancellation. Premium audio systems, either a 13-speaker Alpine system or a 20-speaker Harman Kardon surround sound system, are also available
- Other convenience features include the available Stow 'n Vac integrated vacuum powered by RIDGID; redesigned Stow 'n Go seating and storage system with Stow 'n Go Assist and Easy Tilt; and segment-first handsfree sliding doors and liftgate that open with the kick of a foot

About Chrysler Brand

The Chrysler brand has delighted customers with distinctive designs, craftsmanship, intuitive innovation and technology since the company was founded in 1925.

The Chrysler Pacifica continues to reinvent the minivan, a segment Chrysler invented, with an unprecedented level of functionality, versatility, technology and bold styling. The Pacifica Hybrid takes this revolutionary vehicle a step further with its class-exclusive, innovative plug-in hybrid powertrain. It's the first electrified vehicle in the minivan segment and achieves 84 MPGe in electric-only mode, 33 miles of all-electric range and 566 miles of total range. The Chrysler 300 lineup delivers on the brand's promise of iconic and elegant design executed with world-class performance, efficiency and quality – all at an attainable value.

Beyond just exceptionally designed vehicles, the Chrysler brand continues to raise the bar by integrating class-leading, high-tech features into its products, including the Uconnect 4 system with Apple CarPlay, Android Auto Uconnect Theater with available streaming, the plug-in hybrid powertrain in the Pacifica Hybrid, the industry-exclusive Stow 'n Go seating and storage system on the Pacifica, and the segment's most advanced all-wheel-drive (AWD) system available on all Chrysler 300 V-6 models, as well as the most powerful V-8 in its class with the 300C's 5.7-liter HEMI® V-8 engine.
