About Chrysler Pacifica/Pacifica Hybrid

As the original creator of the minivan 35 years ago, FCA US LLC continues to transform the segment with firsts, notching 78 innovations through the first five minivan generations. With the introduction of the Chrysler Pacifica and Pacifica Hybrid, FCA US adds 37 minivan firsts to its portfolio for an unprecedented total of 115 innovations in the segment, including the industry's first minivan available as a plug-in hybrid electric vehicle.

The Chrysler Pacifica – the most awarded minivan of 2016 and 2017 – reinvents the minivan segment with an unprecedented level of functionality, versatility, technology and bold styling. The Pacifica Hybrid takes this revolutionary vehicle a step further with its class-exclusive, innovative plug-in hybrid powertrain. It's the first electrified vehicle in the minivan segment and achieves 84 miles per gallon equivalent (MPGe) in electric-only mode and 33 miles of all-electric range. With more than 100 available safety and security features, the Uconnect Theater rear seat entertainment system and a full array of comfort and convenience technologies, the Chrysler Pacifica and Pacifica Hybrid are no-compromise minivans ideally suited for today's families.

The Chrysler Pacifica lineup is expanding for 2018 with the addition of the S Appearance Package, which offers a customized, athletic look featuring black accents inside and out. The Chrysler Pacifica also receives additional updates for the 2018 model year, including standard SafetyTec across all gas and hybrid models, and upgraded Uconnect 4 systems with Apple CarPlay and Android Auto.

About the Texas Auto Roundup

The Texas Auto Roundup, hosted by TAWA and sponsored by the Steel Market Development Institute, Polaris

Slingshot and Wieck, is held annually to allow dozens of journalists to evaluate the cars, CUVs and SUVs sold in Texas. The Texas Auto Writers Association hosts the event and hands out a variety of awards every spring, including the prestigious Car of Texas, Family Car of Texas and Performance Car of Texas.

About TAWA

TAWA is one of the most reputable automotive press organizations in the industry, with a mission to promote quality and accuracy in automotive journalism and disseminate information about the industry through news-related print, online and broadcast media. TAWA produces two driving events each year — the Texas Auto Roundup in the spring and the Texas Truck Rodeo in the fall. Media members enjoy driving and evaluating new vehicles competing for the coveted Car of Texas or Truck of Texas.

Chrysler Brand

The Chrysler brand has delighted customers with distinctive designs, craftsmanship, and advanced innovation and technology since the company was founded in 1925. Chrysler continues to build on that nearly 100-year legacy of creating ingenious products and technologies for mainstream customers, moving forward on an electrified transformation that will launch the brand's first battery-electric vehicle in 2025 and an all-electric portfolio in 2028.

The Chrysler Pacifica continues to reinvent the minivan, a segment Chrysler created 40 years ago. The Chrysler Pacifica Plug-in Hybrid symbolizes the brand's electrification evolution, representing the first electrified minivan in the segment and achieving 82 MPGe, an all-electric range of 32 miles and a total range of 520 miles. Chrysler Pacifica delivers the most standard safety features and most advanced available all-wheel-drive system in its class and is also the most awarded minivan over the last seven years with more than 175 honors and industry accolades since its introduction as a minivan.
