2019 Dodge Grand Caravan Fact Sheet

August 31, 2018, Auburn Hills, Mich. - The Dodge Grand Caravan continues its tradition of offering customers style, versatility and added features at an outstanding value. Since FCA US LLC invented the minivan segment 35 years ago, the innovative Grand Caravan has introduced nearly 80 segment firsts, including ParkView rear backup camera, Stow 'n Place roof rack and selectable fuel economizer mode. One innovation that continues is the Grand Caravan's industry-exclusive Super Stow 'n Go seating, which can be easily operated with one hand, allowing users to convert from carrying seven to hauling cargo in a matter of seconds. The Grand Caravan is equipped with more than 55 available safety, security and technology features.

New for 2019

- Celebrating 35 years of America's best-selling minivan ever, the Dodge Grand Caravan delivers even more value with the 35th Anniversary edition available on SE and SXT models, including 17-inch tech silver aluminum wheels, a 35th Anniversary fender badge and a Bright grille
 - Inside, an all-black interior features Cranberry Wine accent stitching on the seats, steering wheel and door trim, a Piano Black console and instrument panel accent and a 35th Anniversary embroidered logo on the front floor mats
 - SE models feature Stow 'N Go second-row bucket seats and power driver's seat
 - SXT models feature: Navigation radio, Driver Convenience Group that features heated front seats, heated steering wheel, and second-row window shades

Highlights

Dodge//SRT

For more than 100 years, the Dodge brand has carried on the spirit of brothers John and Horace Dodge. Their influence continues today as Dodge shifts into high gear with a lineup that delivers unrivaled performance in each of the segments in which the brand competes while moving forward to a future that includes electrified muscle in the form of the next-generation, all-new Dodge Charger.

The next-generation Dodge Charger electrifies a legend, with the Charger retaining its title as the world's quickest and most powerful muscle car led by the all-new, all-electric 2024 Dodge Charger Daytona Scat Pack. The all-new Dodge Charger will also offer performance choices via multi-energy powertrain options including the 550-horsepower Dodge Charger SIXPACK H.O., powered by the 3.0L Twin Turbo Hurricane High Output engine.

Dodge also keeps its foot on the gas as a pure performance brand with the 710-horsepower Dodge Durango SRT Hellcat, the most powerful SUV ever, and best-in-class standard performance in the compact utility vehicle segment with the Dodge Hornet.

Dodge is part of the portfolio of brands offered by leading global automaker and mobility provider Stellantis. For more information regarding Stellantis (NYSE: STLA), please visit www.stellantis.com.
