New Special-edition 2019 Ram 1500 Rebel 12 — Where Off-road, Technology and Luxury Meet

- 2019 Ram 1500 Rebel 12 adds class-leading technology and high-end materials to create premium version of the popular off-road model
- Rebel 12 includes Uconnect 4C with 12-inch touchscreen and 900-watt Harman Kardon sound system
- Upgraded interior with first-time offering of leather seating on all-new 2019 Rebel model, high-end audio and new premium appointments
- Standard 33-inch tires, factory lift, locking rear differential and other off-road features provide versatility and capability

September 21, 2018, Auburn Hills, Mich. - The new 2019 Ram 1500 Rebel 12 brings new technology and premium appointments to one-of-a-kind off-road design in the full-size truck segment.

"Expanding the availability of the segment-leading Uconnect 4C 12-inch touchscreen is a direct response to market demand," said Jim Morrison, Head of Ram Brand, FCA – North America. "Customers have been asking for additional high-end features on Rebel and now we're delivering with benchmark technology and materials wrapped in off-road capability."

The 2019 Ram 1500 Rebel 12 special edition offers unique technology never before available on Rebel, including Ram's Uconnect 4C with 12-inch screen and navigation. The fourth-generation Uconnect system includes enhanced processing power, multi-touch gestures, vivid imagery, sharper graphics and the ability to support smartphone integrations. The class-exclusive, 12-inch reconfigurable touchscreen display offers split-screen capability and tailor-made graphics. Next-generation in-car audio entertainment debuts with industry-exclusive SiriusXM with 360L, on-demand content and a personalized listening experience.

Rebel 12 special edition also features leather-trimmed interior with heated front seats and unique metal speaker grilles trimmed in the Rebel's signature Radar Red anodized finish. Owners will appreciate the finest audio system ever available in a pickup — Harman Kardon with 19 premium speakers, 900-watt surround-sound amplifier, 10-inch subwoofer and active noise cancellation.

The Ram Rebel brings factory-engineered, off-road capability to the full-size truck segment with unique design cues and can-do attitude backed by Ram Truck engineering. Equipped with a factory lift, locking rear differential, 33-inch tires, Bilstein shocks, skid plates, tow hooks and other off-road-ready features, the Ram 1500 Rebel appeals to the truck owner looking for a less-beaten path.

Rebel 12 is an available package on all Rebel cab, color and powertrain configurations.

Packed with premium materials and technology at a great value, the 2019 Ram 1500 Rebel 12 starts at \$46,990, not including \$1,695 destination. Rebel 12 will be available in the fourth quarter of 2018.

The 2019 Ram 1500 is built at the Sterling Heights Assembly Plant (SHAP) in Sterling Heights, Michigan.

## **Ram Truck Brand**

In 2009, the Ram Truck brand launched as a stand-alone division, focused on meeting the demands of truck buyers and delivering benchmark-quality vehicles. With a full lineup of trucks - the Ram 1500, 2500/3500 Heavy Duty,

3500/4500/5500 Chassis Cab and ProMaster - the Ram brand builds trucks that get the hard work done and families where they need to go.

Ram continues to outperform the competition and sets the benchmark for:

- Best-in-class standard horsepower
- Segment-first 1,000 lb.-ft of torque with Cummins Turbo Diesel
- Most luxurious: Ram 1500 Tungsten with real metal and leather elements and a new 14.5-inch Uconnect touchscreen
- Best ride and handling with a double wishbone front suspension and five-link solid rear axle with available, segment-exclusive, active-level, four-corner air suspension
- Best-in-class available rear leg room
- The most cargo space available in any traditional full size cargo van
- Most capable full-size off-road pickup Ram Power Wagon
- Most awarded light-duty truck in America
- Highest owner loyalty of any half-ton pickup

The latest <u>J.D. Power APEAL study</u>, which rates the emotional bond between customers and their vehicles, named the 2023 Ram 1500 as the best full-size light-duty pickup.

Ram is part of the portfolio of brands offered by leading global automaker and mobility provider Stellantis. For more information regarding Stellantis (NYSE: STLA), please visit www.stellantis.com.
