FCA Canada: 2020 Dodge Journey Fact Sheet

August 31, 2019, Windsor, Ontario - The 2020 Dodge Journey is Canada's most affordable midsize crossover and the only crossover in the segment to offer standard seven-passenger seating. Journey continues to offer customers better value while also delivering vehicle connectivity and customization with its available Uconnect 3 multimedia centre with an 8.4-inch touchscreen – the largest screen in its class. With standard fold-flat second- and third-row seats and available second-row in-floor storage, the Journey is a true utility infielder. The Dodge Journey offers more than 40 available safety and security features.

New for 2020

- Dodge simplifies the 2020 Journey lineup to two models: Journey CVP and Journey Crossroad, offering customers improved value across the lineup
- For 2020, both Journey models feature a standard 2.4-litre 16-valve DOHC four-cylinder engine, which produces 172 horsepower and 165 lb.-ft. of torque
- Sunroof now standard equipment on Dodge Journey Crossroad models
- New Popular Equipment Group, available on both Journey CVP and Journey Crossroad models, bundles many popular features in one easy-to-order package. When equipped on Journey CVP, the Popular Equipment Group includes Uconnect Voice Command with Bluetooth, SiriusXM Radio with 12-month subscription, leather-wrapped steering wheel and shift knob, tri-zone temperature control, power driver seat, premium cloth seating, security alarm and interior observation mirror. Journey Crossroad models equipped with the Popular Equipment Group include navigation, six premium speakers and subwoofer, heated front seats and steering wheel, remote start and a universal garage door opener

Highlights

- Dodge Journey offers three-row, seven-passenger seating standard on both models for 2020
- Journey maintains sculpted, clean, aggressive lines and a front fascia that sports the signature Dodge brand "split crosshair" grille. Standard on Crossroad, bold "ring of fire" LED taillamps feature a distinctive style, while 19-inch aluminum wheels, standard on Crossroad, provide a dramatic styling statement
- Featuring an available largest-in-class Uconnect 8.4-inch touchscreen, standard Keyless Enter 'n Go with push-button start and available heated steering wheel, Dodge Journey offers high-tech features at a price that is still affordable for families
- Journey's available Uconnect touchscreen command centre offers navigation and voice-command music selections. With its touchscreen display and user-friendly, touch-key categories, connecting and controlling personal devices is simple, intuitive and customizable
- Innovative available removable in-floor storage bins ahead of the second-row seats can hold everything from muddy clothes to soda cans or conceal valuables, such as a camera, laptop or purse
- Journey's interior is both spacious and functional. Second and third-row seats fold flat to create 1,914 litres (67.6 cu. ft.) of cargo space
- Journey has more than 40 available safety and security features, including multistage front passenger air bags, active head restraints, electronic stability control with all-speed traction control, electronic roll mitigation and Brake Assist, driver-side knee blocker air bag, side-curtain air bags covering all three rows, front seat-mounted side air bags, LATCH child seat anchor system and trailer-sway control – all standard on Dodge Journey models
