FCA Canada: 2021 Alfa Romeo Stelvio Fact Sheet

December 17, 2020, Windsor, Ontario - The Alfa Romeo Stelvio sets the benchmark for performance SUVs with updates for 2021 that include a new Sprint entry trim as well as higher levels of standard equipment across the lineup. Born from the world's greatest driving road – the Stelvio Pass – the 2021 Alfa Romeo Stelvio delivers performance, design and technology in an SUV that could only come from Italy. Crafted by Alfa Romeo artisans at the Cassino plant in Italy, the Stelvio lineup is infused with Italian passion, craftsmanship and innovation and is a testament to Alfa Romeo's unparalleled balance of engineering and emotion, creating a premium midsize SUV for driving enthusiasts.

New for 2021

Highlights:

- All Stelvio SUVs are well equipped with standard leather seating, Apple CarPlay, Android Auto, SiriusXM Radio, keyless passive entry, remote start, bi-xenon headlamps with LED Daytime Running Lights and LED taillights, Alfa DNA Drive Mode selector, backup camera with rear park sensors, Full-speed Forward Collision Warning-Plus and the Q4 AWD System.
- The sports car of its segment, the Stelvio features near perfect 50/50 weight distribution and class-leading power and performance with key race-inspired features, including a class-exclusive carbon-fibre driveshaft, flat-bottom Formula One-inspired steering wheel, Alfa DNA Drive Mode selector, and an eight-speed automatic transmission with available steering column-mounted aluminum paddle shifters with gear shifts in less than 100 milliseconds
- Stelvio Sprint, Stelvio Ti and Stelvio Ti Sport feature an all-aluminum, 2.0-litre, direct-injection turbocharged engine delivering a class-leading, standard 280 horsepower and 306 lb.-ft. of torque, delivering 0 to 97 km/h in 5.4 seconds and a top speed of 232 km/h
- Stelvio Quadrifoglio highlights Alfa Romeo's performance expertise with best-in-class V-6 horsepower (505) and torque (443 lb.-ft.) from its Ferrari-derived twin-turbocharged V-6 engine, powering it from 0-97 km/h in 3.6 seconds and a top speed of 283 km/h
- State-of-the-art technologies, including a torque vectoring rear differential, Alfa DNA Pro Drive Mode selector with Race Mode, the most direct steering available and all-aluminum column-mounted paddle shifters maximize the driving experience in the Stelvio Quadrifoglio
- Paired with Alfa Romeo's most powerful production engine ever, the innovative Q4 all-wheel-drive (AWD) system in the Stelvio Quadrifoglio takes premium midsize SUV performance to new heights
- The performance-inspired Stelvio Quadrifoglio also benefits from unique design features, including standard anodized brake calipers with red Alfa Romeo script and signature 20-inch bright five-hole forged aluminum wheels
- Stelvio Quadrifoglio lapped the Nürburgring in a record 7 minutes 51.7 seconds
- Standard 8.8-inch centre touchscreen display with state-of-the-art connectivity and additional standard content, including:
 - Driver-configurable interactive widgets and horizontal scroll for additional personalization with improved layout, vehicle performance pages and expanded navigation view
 - Standard 7-inch thin-film transistor (TFT) driver instrument cluster screen displays vehicle information including advanced driver-assistance systems (ADAS) functionality and vehicle information pages
 - Host of connectivity features: Wi-Fi Hotspot, Mobile App with remote operations, SOS Call (Private) and Roadside Assistance, Vehicle Finder, Stolen Vehicle Locator and Assistance, and select Firmware Over the Air (OTA) updates
- ADAS features level 1 and 2 autonomy and high level of safety and security content, including:
 - Highway assist system
 - Traffic jam assist system
 - Traffic sign recognition
 - Lane Keep Assist
 - Active Blind Spot Assist
 - Driver attention alert
 - Intelligent Speed Assist
 - Standard Full-speed Forward Collision Warning-Plus
- Upscale interior with premium content:
 - Upscale centre console that features leather-wrapped gear shifter with bright accents, premium rotary knobs and dial materials, open front storage with large cup holders, abundant storage capacity and available wireless mobile phone charging pad
- Steering wheel designs for all Stelvio trims include high-end materials and bezel finishes adding distinctive style
