Free2move Becomes a World Leader in Mobility With Acquisition of Share Now

- Acceleration of Free2move's strategic plan in Europe and in the United States
- Key step for Free2move in its mission to simplify customer mobility, proposing solutions per minutes, days, months and years
- With this acquisition of the European free-floating car-sharing leader, Free2move now reaches more than 6 million customers worldwide and reinforces its mobility hub offer in Europe
- Major step toward the Stellantis Dare Forward 2030 goal of growing Free2move's profitable mobility service

July 18, 2022, Amsterdam - Today, Free2move announced the completion of the acquisition of Share Now, the market leader and pioneer of free-floating car sharing in Europe. With this acquisition, Free2move continues its aggressive growth plan as a worldwide mobility leader, expanding its mobility hubs concept to 14 new cities. Share Now's executive management team remains in place.

"We are very enthusiastic about the new chapter we are about to write with Share Now, the European leader in free-floating car-sharing," said Brigitte Courtehoux, Free2move CEO. "Free2move and Share Now are very complementary and our joint expertise now grants us the savoir-faire to truly innovate in the worldwide mobility market. I offer a very warm welcome to every Share Now colleague as they join the Free2move family."

"We are very happy to join Free2move," said Olivier Reppert, Share Now CEO. "We will keep moving forward together to meet our customers' expectations for increasingly sustainable, innovative and flexible mobility."

[Free2move](#) is a worldwide mobility player for B2B and B2C customers with a fleet of more than 450,000 cars offering rental, car sharing and subscription services, and a network of more than 500,000 parking places. With this acquisition, Free2move expands its reach now to 32 European and U.S. mobility hubs.

The Share Now acquisition will allow Free2move to rapidly reach Stellantis' [Dare Forward 2030](#) goal of 15 million customers and €2.8 billion in revenue by 2030. It will also open new synergies and enhance the profitability of the two companies.

Free2move

Free2move is the only global mobility brand offering a complete and unique ecosystem for its private and professional customers around the world. Relying on data and technology, Free2move puts the customer experience at the heart of the business to reinvent mobility. Free2move offers a range of services to satisfy the multiple travel needs of its customers from one minute to several days or months with car-sharing service, short, medium or long-term rental as well as the reservation of VTC drivers, parking spaces and charging stations via the app. Free2move Mobility in figures worldwide: 2 million customers, 450,000 rental vehicles, 500,000 parking spaces, 250,000 charging points in Europe.

SHARE NOW

As the European market leader and pioneer of free-floating car-sharing, SHARE NOW is represented in 16 major European cities with around 10,000 vehicles, including around 3,000 electric vehicles. About 3.5 million customers already use the service. SHARE NOW offers a sustainable solution for urban mobility and, as part of the mobility offer, contributes significantly to relieving traffic congestion in cities. Each car-sharing car replaces up to 20 private vehicles in urban traffic. SHARE NOW continues to expand its European free-floating car-sharing activities. The

mobility provider was founded in 2019 as a joint venture between BMW Group and Mercedes-Benz Mobility AG. It has its headquarters in Berlin.

Stellantis
