Freedom of Mobility Forum Announces Agenda, Panelists for March 29 Live Debate

- An international panel of six selected to debate the environmental, social and financial costs of providing accessible, safe and sustainable freedom of mobility
- The six panelists, representing business, youth, climate experts, civil society, labor and social dialogue, maintain a passion to preserve freedom of mobility for everyone, but present different visions
- 2023 Topic of the Year: In a decarbonized world, will freedom of mobility be affordable to a happy few only?

March 9, 2023, Amsterdam - The [Freedom of Mobility Forum](#), initiated by Stellantis and facilitated by [Wavestone](#) as a neutral third party, announced the agenda and panelists for the March 29 live digital debate, "In a decarbonized world, will freedom of mobility be affordable to a happy few only?"

The live digital debate webcast starts at 8:30 a.m. EDT / 2:30 p.m. CEST and brings together a diverse range of representatives from business, youth, climate experts, civil society, labor and social dialogue for an open debate about the facts, challenges and solutions for preserving freedom of movement for all in the context of climate change and a decarbonized world. The resulting exchanges are expected to be lively, as the participants maintain a passion to preserve freedom of mobility for everyone, but present different visions.

Agenda (all times CEST)

2:30 p.m. Overview of panelists and facilitator
2:40 p.m. Understanding the facts
3:05 p.m. Discussing the challenges
3:30 p.m. Exploring the solutions
3:55 p.m. Open Q&A
4:25 p.m. Wrap-up and closing

Sectors, Panelists and Facilitator

The following panelists have been proposed through a vote of the Freedom of Mobility Forum Advisory Board.
