2007 Chrysler PT Cruiser Celebrates 1 Millionth Milestone

August 31, 2006, Auburn Hills, Mich. -

The Chrysler Group changed the landscape of the automotive market when it introduced the segment-busting Chrysler PT Cruiser six years ago. Its one-of-a-kind exterior styling and Swiss Army knife-like interior flexibility, offered at a compact car price, redefined the small-car segment and became an instant hit with consumers.

In 2006, Chrysler celebrates more than 1 million Chrysler PT Cruisers models built and sold around the world. With such record sales numbers, it's evident that the Chrysler PT Cruiser continues to lead the segment in style, versatility, quality and performance.

High-quality, performance and functionality give Chrysler PT Cruiser a huge leg up on the competition. For years, leading consumer magazines have recommended the PT Cruiser for its consistently high levels of quality and refinement. In 2006, PT Cruiser was "Recommended" by Consumer Reports and was named a "Best Buy" in Consumer Guide's compact cars category.

Since its introduction in 2000 as a 2001 model-year vehicle, Chrysler has kept the PT Cruiser fresh and exciting with 11 variations, including four Dream Cruiser Series vehicles, the PT Turbo, the Flames, Woodie, Chrysler PT Cruiser Convertible and Chrysler Street Cruiser Route 66 editions.

"WHAT'S NEW FOR 2007"

Exterior

- Three new colors: Pastel Yellow Clear Coat, Tangerine Pearl Coat and Opal Pearl Coat
- Soft-touch electric liftgate switch—standard on Base model

Interior

- New YES Essentials® seat fabric—optional on Touring, standard on Limited
- Remote keyless entry standard on Base model. Integrated into key—includes panic alarm
- Console flood lamp standard on all models
- "Boston Premium Audio" badge added to center stack bezel with Boston Acoustics Audio Group

DESIGN

"The Chrysler PT Cruiser's unique styling continues to make it an icon in the automotive industry," said Trevor Creed, Senior Vice President – Design, Chrysler Group. "PT Cruiser's incredibly flexible interior and thoughtful design touches have set it apart in the crowded specialty car segment, and have kept it there for the last six years."

The Chrysler PT Cruiser's one-of-a-kind styling and flexible interior set it apart in the specialty car segment. Chrysler PT Cruiser is a dramatic alternative to the sea of sameness in the market.

From the front, the PT Cruiser features the face of Chrysler, with a Chrysler winged badge, chrome accents on the grille, headlamps that have a scalloped bottom edge and round fog lamps.

A body-color spoiler on the liftgate improves aerodynamics. A rear liftgate provides easy access to the PT Cruiser's flexible interior. With the flip/fold/tumble seats and the available fold-flat front passenger seat and movable rear shelf, the interior can be configured in 160 different ways.

From the driver's seat, the instrument panel features large gauges, flush shutoff rotating air vents and a Chrysler signature analog clock. The radio is mounted high in the center stack, and a passenger grab handle on the right side of the instrument panel makes it easier for passengers to get into and out of the vehicle.

The Chrysler PT Cruiser features a center console with a sliding armrest and covered storage space. This console conceals small items and includes a deep storage bin that holds six CDs, an available battery-fed power outlet for cell-phone charging, a coin holder and two fold-out cup holders for rear-seat occupants. Front cup holders on the Limited and GT models get bright accents.

An available Chrome Accents Group (which includes 16-inch chrome-clad wheels with nine-spoke design, chrome fuel door, chrome bodyside moldings, chrome door lock knobs, scuff plates with bright accents and a Chrysler winged badge) gives buyers the ability to customize their PT Cruiser from the factory, complete with warranty.

ENGINEERING

"Others may try to imitate, but there is still nothing on the road that matches Chrysler PT Cruiser's style, performance or interior flexibility," said Larry Lyons, Vice President — Front-wheel-drive Product Team. "With three engine options, including two available turbo engines, a smooth, quiet ride and comfortable and flexible interior, PT Cruiser leads the pack. And 1 million sales prove it."

High-quality, performance and functionality give Chrysler PT Cruiser a huge leg up on the competition. The Chrysler PT Cruiser offers drivers performance, both under the hood, behind the wheel and under the seats. This one-of-a-kind vehicle is available with three engine options, including two turbo engines (180 hp and 230 hp) that blow away the competition.

Reduced road, wind and powertrain noise result in an exceptional, quiet ride inside the Chrysler PT Cruiser's cabin. An acoustic package (which includes sealants around the doors, windows, rear floor pan and reverberant cavity area), combined with sound absorption in the trim panels, reduces road noise. Sealing around the heating, ventilation and air conditioning (HVAC) system and insulation in the dashboard reduce powertrain noise. The inner belt seals in the door and added foam in the A-pillar reduce wind noise.

The Chrysler PT Cruiser's flexible interior can be configured in 160 different ways, giving owners the opportunity to tackle a multitude of tasks with their vehicle. Innovative new feature options, including Yes Essentials® seat fabric, a standard console flood lamp, a standard soft-touch electric liftgate and remote keyless entry make PT Cruiser even more functional for 2007.

PRODUCT HIGHLIGHTS

- With global sales totaling more than 1 million, Chrysler PT Cruiser continues to lead the segment in style, versatility, high quality and performance
- Chrysler PT Cruiser's compact price makes it an attractive alternative to many compact cars on the road
- Chrysler PT Cruiser's proven top quality is time-tested
- Chrysler PT Cruiser offers more versatility than any compact car
- Unique styling and performance separate Chrysler PT Cruiser from the competition

MODEL LINEUP

2007 Chrysler PT Cruiser

Standard Features

- 2.4-liter naturally aspirated engine (150 horsepower [112 kW] and 165 lb.-ft. [220 N•m] of torque
- Five-speed manual transaxle
- Sport contour bucket seats with Bauhaus feature fabric
- AM/FM radio with CD player and MP3 audio input jack
- Power windows with auto-down function on both front windows
- 65/35 fold/tumble/removable rear seats

- Speed-sensitive power locks
- Console with sliding armrest and storage
- Analog clock
- Rear door speakers
- Floor mats
- Sentry Key® Engine Immobilizer
- Remote keyless entry with illuminated entry
- Chrome grille accents
- Body-color strip spoiler on liftgate
- 15-inch wheels with bolt-on wheel covers

Optional Features

- Automatic transaxle
- Air conditioning
- Side air bags
- Anti-lock disc/drum brakes (ABS)
- SIRIUS Satellite Radio with free first-year subscription

- Remote keyless entry
- Security alarm
- Sentry Key®
- Supplemental side air bags available on PT Cruiser and PT Cruiser Touring models and standard on Limited and GT models
- Unique transverse beam in body structure

COLOR AVAILABILITY

- Pastel Yellow Clear Coat (New)
- Tangerine Pearl Coat (New)
- Opal Pearl Coat (New)
- Marine Blue Pearl Coat
- Inferno Red Crystal Pearl Coat
- Bright Silver Metallic Clear Coat
- Black
- Cool Vanilla Clear Coat

MANUFACTURING INFORMATION

- 2007 model year production start: July 2006
- Production location: Toluca Assembly Plant in Toluca, Mexico
- Five-speed manual transaxle: New Venture Gear in Syracuse, New York
- 2.4-liter engine: Saltillo Engine Plant in Saltillo, Mexico
- Getrag transmission: Ludwigsburg, Germany

MARKET POSITION

Chrysler PT Cruiser continues to draw buyers from all segments. Positioned in the heart of the compact car segment, Chrysler PT Cruiser also maintains affordable image models. The Chrysler PT Cruiser offers just about anything a compact car buyer wants and a great deal more, including excitement, unexpected features and versatility.

Demographics

- Gender: 46 percent male/54 percent female
- Median Age: 51
- Median Annual Household Income: \$58,000
- Education: 18 percent college educated
- Household: 70 percent married

MARKET ADVANTAGES

- Chrysler PT Cruiser has a distinct advantage over its competition with features, content, size, affordability and versatility
 - **Quality**—Recommended by leading consumer publications
 - 2006 Chrysler PT Cruiser, Consumer Guide, "Best Buy - Compact Cars Category"

- 2006 Chrysler PT Cruiser, Consumer Reports, "Recommended"
- **Versatility**—PT Cruiser's tall profile contributes to its command-of-the-road seating and flexible interior space. With the flip/fold/tumble seats (removable rear) and the available fold-flat front passenger seat and movable rear shelf, the interior can be configured in 160 different ways
- **Power**—The Chrysler PT Cruiser's 150-horsepower engine beats most compact cars, while the 180-horsepower and 230-horsepower engines beat them all
- **Style**—A dramatic alternative to the sea of sameness that typifies most car segments. The PT Cruiser's unique exterior design celebrates the American custom-car era with bulging fender forms, chrome details and a strong wheels-to-the-corner stance

PRODUCT CHRONOLOGY

2006 Model Year

Complete upgrade of the PT Cruiser

Powertrain

- Increased power—new for 2006 (230 horsepower [171.5 kW]/245 lb.-ft. [332 N•m] of torque) 2.4-liter, 16-valve, DOHC SMPI intercooled High-Output Turbo four-cylinder engine with heavy-duty Getrag five-speed manual transmission (standard on GT model or this engine with optional four-speed electronic automatic transmission and AutoStick® on GT model)
- New nine-spoke, 16-inch aluminum wheel offering on Limited models available in painted silver or optional chrome-clad finish (new for 2006)
- New 15-spoke, 17-inch chrome-clad aluminum wheels standard on GT models (new for 2006)
- Power-assisted disc/drum brakes, ABS disc/drum brakes or performance four-wheel disc brakes with ABS and low-speed traction control depending on model selection
- Ride-, touring-, or sport-tuned suspension depending on model selection
- Power-assisted steering (18:1 ratio)

Exterior: Modifications incorporating "face of Chrysler" design cues include (new for 2006):

- Redesigned front and rear fascias on all models
- Redesigned front grille with chrome-accented horizontal bars standard on all models
- Larger Chrysler "winged" badge on hood on all models
- Redesigned headlamps with lower scalloped edge on all models
- Modified taillamp(s) with white turn signal lenses (amber bulb)
- Round fog lamps (on Limited and GT models) and lower grille incorporating open mesh design (all models)
- Body color strip spoiler at rear of roof panel for improved aerodynamic performance on Base, Touring and Limited models
- Eight exterior color offerings, including Marine Blue Pearl Coat and Magnesium Pearl Coat (both new for 2006)

Interior: modifications include (new for 2006):

- All-new instrument panel and door trim panel design
- Refreshed seat trim and fabrics for all models incorporating sport contour trim outlines for improved lateral support
- Interior color offerings: Pastel Slate Gray (all models) and Pastel Pebble Beige (Touring, Limited and GT models)
