## 2010 CHRYSLER TOWN & COUNTRY—INNOVATION, LUXURY AND UNSURPASSED FUEL ECONOMY

With more than 25 years of minivan development, 65 segment-firsts, 40 available safety features and unsurpassed 25-mpg highway mpg fuel economy—Chrysler Town & Country remains the best vehicle to transport people and things.

A Chrysler-first innovation, and an exclusive in the segment is the Swivel 'n Go™ seating group. Swivel 'n Go features second-row seats that swivel 180 degrees to face the third row, a removable table that installs between the two rows, in-floor covered storage bins and fold-in-the-floor third-row seating, integrated child booster seats and a minivan-first dual nine-inch rear DVD entertainment system with swiveling third-row monitor and SIRIUS Backseat TV™ are also available with Swivel 'n Go.

The minivan segment's first-and-only Stow 'n Go® seating and storage system—the most flexible seating system in the minivan segment—is standard on all Chrysler Town & Country models, giving customers second- and third-row seating that quickly and conveniently folds into the floor.

Chrysler Town & Country continues to be the first in the minivan segment to feature Blind-spot Monitoring (BSM) and Rear Cross Path (RCP) accident-avoidance safety systems. BSM detects a possible unseen vehicle when changing lanes while RCP aids the driver when the vehicle is in Reverse and warns if any traffic is moving toward the vehicle. Both systems utilize dual ultra-wideband radar sensors that notify the driver via an audible chime and a visible icon on outside mirrors.

Best-in-class aerodynamics and a minivan-first six-speed automatic transmission provide 2010 Chrysler Town & Country minivans with efficient dynamics. A 4.0-liter V-6 aluminum engine offers unsurpassed fuel economy and the minivan segment's best combination of horsepower (251 hp/189 kw) and torque (259 ft.-lb./350 N•m). With an EPA fuel economy rating of 17-mpg city and 25-mpg highway, the powerful 4.0-liter engine gives customers the fuel economy they want and the power they expect.

## NEW FOR 2010

- Driver and front-passenger active head restraints (all models)
- Rear obstacle detection display located in Electronic Vehicle Information Center (EVIC all models)
- New 3.16 final drive ratio (Town & Country Limited)

## SAFETY AND SECURITY

More than 40 safety and security features including:

- Advanced Multi-stage Air Bags
- Supplemental Side-curtain Air Bags
- Blind-spot Monitoring (BSM) and Rear Cross Path (RCP) accident-avoidance systems
- ParkSense® rear-park assist system
- ParkView™ rear back-up camera
- Electronic Stability Control (ESC)

## 2010 CHRYSLER TOWN & COUNTRY AT A GLANCE

- The 2010 Chrysler Town & Country raises the bar in the minivan segment
  - Blind-spot Monitoring (BSM) system warns the driver of unseen vehicles when changing lanes via an audible chime and a visible icon on outside mirrors
  - The Rear Cross Path (RCP) system aids drivers when the vehicle is in Reverse and warns the driver if any traffic is moving toward the vehicle via an audible chime and a visible icon on outside mirrors
  - With a contemporary exterior and interior design, two different seating and storage options, powerful drivetrain options and clever interior features, Chrysler Town & Country is a “family room on wheels” – a vehicle that offers the ultimate flexibility and utility for active lifestyles
- With the Swivel 'n Go™ seating and storage system, Chrysler offers two distinct seating and storage systems
  - Swivel 'n Go is a unique seating and storage system that offers in-floor cargo bins of the Stow 'n Go® seating system combined with second-row quad chairs that rotate 180 degrees to face forward or rearward, and a stowable center table that installs between second- and third-row seats
  - Integrated child booster seats lift children to the adult-belted zone while increasing visibility (available with the Swivel 'n Go seating system)
  - The Stow 'n Go seating and storage system is still an industry exclusive available only on Chrysler and Dodge minivans. These are the only minivans to offer fold-in-the-floor second-row seating (without the need to remove the seats) and fold-in-the-floor third-row seats
- Chrysler Town & Country is a “family room on wheels” with its fun features, practical comforts and pleasant driving experience
  - Fun features, including the Swivel 'n Go seating and storage system, a nine-inch dual DVD system with swiveling third-row monitor which can play different media at the same time, SIRIUS Backseat TV™, Uconnect™ Navigation with voice-commands and real-time traffic monitoring, iPod® Control, surround sound, LED pinpoint reading lamps, ambient halo lighting, a removable, sliding center console and removable flashlight in the tailgate give more options to families on the go
  - Practical comfort features, including the Stow 'n Go seating and storage system, heated first- and second row cloth or leather seats, remote start, second- and third-row sunshades, an umbrella holder next to the driver's seat, removable, dishwasher-safe cup holders, second-row power windows and third-row power-folding seats provide the comforts of home while on the road
- An available six-speed transaxle and 4.0-liter engine offers a spirited driving experience
- Chrysler Town & Country offers more than 40 safety features including segment-first BSM and RCP accident-avoidance systems, all-row side-curtain air bags, SmartBeam® headlamps, ParkSense® rear-park assist system<sup>(1)</sup> and ParkView™ rear back-up camera and Electronic Stability Control (ESC).

<sup>(1)</sup> Denotes most stationary obstacles. As with all electronically controlled systems, care is advised.

## 2010 CHRYSLER TOWN &amp; COUNTRY SPECIFICATIONS

The information shown is preliminary and based on data available at the time of publication. All dimensions are in inches (millimeters) unless otherwise noted. All dimensions are measured at curb weight with standard wheels and tires unless otherwise noted.

## GENERAL INFORMATION

Body Style	Multipurpose vehicle
Assembly Plant	Windsor, Ontario, Canada
EPA Vehicle Class	Multipurpose vehicle

## ENGINE: 3.3-LITER, OHV, SMPI FFV V-6

Availability	Standard on Town & Country LX, U.S.
Type and Description	Six-cylinder, 60° V-type, liquid-cooled
Displacement	210.5 cu. in. (3301 cu. cm)
Bore x Stroke	3.66 x 3.19 (93 x 81)
Valve System	OHV, 12 valves, roller followers, hydraulic lifters
Fuel Injection	Sequential, multi-port, electronic
Construction	Cast-iron block, aluminum-alloy heads
Compression Ratio	9.3:1
Power (SAE net)	175 hp (131 kW) @ 5,000 rpm (53 bhp/liter)
Torque (SAE net)	205 lb.-ft. (278 N•m) @ 4,000 rpm
Max. Engine Speed	5,600 rpm
Fuel Requirement	Unleaded regular, 87 octane (R+M)/2, and up to E85 ethanol
Oil Capacity	5 qt. (4.7L)
Coolant Capacity	13.36 qt. (12.64L) – standard 16.28 qt. (15.4L) – with rear heater
Emission Controls	Three-way catalytic converter, heated oxygen sensors, electronic EGR, and internal engine features <sup>(1)</sup>
Estimated EPA Fuel Economy mpg (city/hwy),	
NAFTA Markets	17/24
Assembly Plant	Trenton Engine Plant, Trenton, Mich.

<sup>(1)</sup> Meets Federal Tier 2, Bin 5 emission requirements; marketed in California, New York, Massachusetts, Vermont and Maine as a LEV-II (Low Emissions Vehicle).

## ENGINE: 3.8-LITER, OHV, SMPI V-6

Availability	Standard on Town & Country Touring, U.S. and Canada
Type and Description	Six-cylinder, 60° V-type, liquid-cooled
Displacement	230.5 cu. in. (3778 cu. cm)
Bore x Stroke	3.78 x 3.43 (96 x 87)
Valve System	OHV, 12 valves, roller followers, hydraulic lifters
Fuel Injection	Sequential, multi-port, electronic
Construction	Cast-iron block, aluminum-alloy heads
Compression Ratio	9.6:1
Power (SAE net)	197 hp (147 kW) @ 5,200 rpm (51.8 bhp/liter)
Torque (SAE net)	230 lb.-ft. (312 N•m) @ 4,000 rpm
Max. Engine Speed	5,600 rpm
Fuel Requirement	Unleaded regular, 87 octane (R+M)/2
Oil Capacity	5 qt. (4.7L)
Coolant Capacity	16.28 qt. (15.4L)
Emission Controls	Three-way catalytic converter, heated oxygen sensors, electronic EGR, and internal engine features <sup>(2)</sup>

<sup>(2)</sup> Meets Federal Tier 2, Bin 5+ emission requirements; marketed in California, New York, Massachusetts, Vermont and Maine as a ULEV-II (Ultra-Low Emissions Vehicle).

### ENGINE: 4.0-LITER, SOHC, 24-VALVE, SMPI V-6

Availability	Standard on Town & Country Limited, U.S. and Canada and all of Mexico
Type and Description	Six-cylinder, 60° bank angle, liquid-cooled, with three-plenum intake manifold, electronically controlled manifold tuning valve and short-runner valves
Displacement	241.2 cu. in. (3952 cu. cm)
Bore x Stroke	3.78 x 3.58 (96 x 91)
Valve System	SOHC, 24 valves, hydraulic, center-pivot roller rocker arms
Fuel Injection	Sequential, multi-port, electronic
Construction	Semi-permanent mold aluminum block with cast-iron liners and cast-aluminum heads
Compression Ratio	10.3:1 on mid-grade fuel
Power (SAE net)	251 hp (189 kW) @ 6,000 rpm (62.75 bhp/liter)
Torque (SAE net)	259 lb.-ft. (350 N•m) @ 4,100 rpm
Max. Engine Speed	6,000 rpm (electronically limited)
Fuel Requirement	Unleaded, 87 octane (R+M)/2
Oil Capacity	5.5 qt. (5.2L) SAE 10W-30
Coolant Capacity	16.28 qt. (15.4L)
Emission Controls	Three-way catalytic converters, quad heated oxygen sensors and internal engine features

Estimated EPA Fuel Economy mpg (city/hwy),

NAFTA Markets 17/25

### BODY/CHASSIS

Layout	Transverse front engine, front-wheel drive
Construction	Unitized steel with hinged front doors; sliding left and right side doors—power available; rear liftgate with gas props—power available

## 2010 CHRYSLER TOWN &amp; COUNTRY SPECIFICATIONS

## SUSPENSION

Front	Independent MacPherson strut, coil over gas-charged shock absorbers, stabilizer bar with isolated suspension cradle
Rear	Twist-beam axle with coil springs, track bar, gas-charged shock absorbers; self-leveling shock absorbers included with Trailer-tow Group

## STEERING

Type	Power rack-and-pinion
Overall Ratio	16.9:1
Turning Diameter (curb-to-curb)	39.1 ft. (11.92 m)
Steering Turns (lock-to-lock)	3.14

## BRAKES

Power Assist Type	All—8 x 9 (204 x 320) tandem-diaphragm vacuum
Availability	U.S.—Standard on all models
Front	
Size and Type	11.9 x 1.1 (302 x 28) vented rotors with 42 mm single-piston IPB caliper
Swept Area (total front)	55.0 sq. in. (355 sq. cm)
Rear	
Size and Type	12.0 x 0.47 (305 x 12) solid rotors with 42 mm single-piston IPB caliper
Swept Area (total rear)	54.3 sq. in. (350 sq. cm)
Parking Brake Type	Integral parking brake
Four-wheel Anti-lock (ABS)	Standard
Electronic Stability Control (ESC)	Standard
All-speed traction control	Standard

## WHEELS (U.S.)

Availability	Standard on Town & Country LX
Type and Material	Steel with painted bolt-on wheel cover
Size	16 x 6.5
Availability	Standard on Town & Country Touring, Optional on LX
Type and Material	Machine-face cast-aluminum with painted pockets
Size	16 x 6.5
Availability	Optional on Town & Country Touring
Type and Material	Machined cast-aluminum with painted pocket
Size	17 x 6.5
Availability	Standard on Town & Country Limited
Type and Material	Chrome-clad cast-aluminum
Size	17 x 6.5

2010 CHRYSLER TOWN & COUNTRY SPECIFICATIONS

TIRES (U.S.)

Availability	Standard on Town & Country LX and Touring
Size and Type	225/65R16, All-season
Model	Yokohama Avid S33
Revs per Mile (km)	762 (473)
Availability	Standard on Town & Country Limited, Optional on Touring
Size and Type	P225/65R17 BSW, All-season Touring
Model	Bridgestone Turanza EL400
Revs per Mile (km)	737 (458)
