April 30, 2013, Auburn Hills, Mich. - Chrysler Group LLC today reported U.S. sales of 156,698 units, an 11 percent increase compared with sales in April 2012 (141,165 units), and the group's best April sales since 2007.

The Jeep®, Dodge, Ram Truck and FIAT brands each posted year-over-year sales gains in April compared with the same month a year ago. The Ram Truck brand's 49 percent increase was the largest sales gain of any Chrysler Group brand in April. Chrysler Group extended its streak of year-over-year sales gains to 37-consecutive months in April.

"Chrysler Group's best April sales in six years helped to maintain our sales momentum and drove us to our 37th-consecutive month of year-over-year sales gains," said Reid Bigland, Head of U.S. Sales. "Our sales last month were solid across the board with seven Chrysler Group vehicles recording their best April sales ever."

The Dodge Durango's 65 percent sales increase was the largest sales gain of any Dodge brand vehicle in April and second only to the Ram Cargo Van's 110 percent sales gain among Chrysler Group vehicles. Jeep brand sales rebounded in April as all Jeep brand models except Jeep Liberty, which is no longer in production, posted sales gains last month. Sales of the flagship Jeep Grand Cherokee were up 27 percent in April compared with the same month a year ago, its best April sales in eight years.

Seven Chrysler Group vehicles set sales records in the month of April. The Jeep Compass compact SUV and the Jeep Wrangler each logged their best April sales ever, as did the Dodge Challenger, Dodge Journey, Fiat 500, and Ram Cargo Van. The all-new Dodge Dart compact car had its best sales month since the vehicle was launched in June last year.

Chrysler Group finished the month with a 66-days supply of inventory (415,019 units). U.S. industry sales figures for April are projected at an estimated 15.4 million units Seasonally Adjusted Annual Rate (SAAR).
