About FIAT Brand

FIAT — Life is Best When Driven. The FIAT brand stands for discovery through passionate self-expression. It encourages people to be in charge of their lives, live confidently and celebrate the smallest of things with infectious excitement. That philosophy is embodied by the North American introduction of the iconic Fiat 500 or Cinquecento — a small car that lives big. Italian at heart and rooted in a rich heritage, the Fiat 500 is synonymous with modern, simple design blending form, function and a pride of ownership that is genuine.

Reminiscent of the original Cinquecento, the Fiat 500 and Fiat 500c (Cabrio) build on the vehicle's global popularity. Since its initial launch in 2007, more than 1,000,000 Fiat 500 vehicles have been sold in more than 100 countries around the world. In addition to success on the sales front, the Fiat 500 has earned more than 80 international awards, including being named the 2008 European Car of the Year, 2009 World Car Design of the Year and Best New Engine of 2010 (Fiat MultiAir® Turbo). In the U.S., the 2012 Fiat 500 was named "Best Buy" in the subcompact category by Consumers Digest and was deemed a "Top Safety Pick" by the influential Insurance Institute for Highway Safety (IIHS). This year, the 2013 Fiat 500 was named to the "10 Coolest New Cars Under \$18,000" list by Kelley Blue Book's KBB.com.

The FIAT brand portfolio in North America continues to expand. In 2013, the FIAT brand launched the high-performance Fiat 500 Abarth Cabrio, the fully-electric Fiat 500e and the Fiat 500L, an all-new five-passenger model that expands FIAT's brand style and efficiency into the growing B-segment.
