November 13, 2014, Auburn Hills, Mich. - The automotive editors at Consumer Guide[®] awarded five Chrysler Group vehicles the 2015 Best Buy distinction.

The all-new Chrysler 200 earns a Best Buy award in the Midsize segment in its first year on the market, joining Chrysler Town & Country and Dodge Grand Caravan, Minivan segment Best Buys for the fifth year in a row; Dodge Durango, a Large SUV Best Buy for three consecutive years; and Ram 1500, a Pickup Truck Best Buy for the seventh consecutive year. Consumer Guide editors thoroughly evaluate more than 150 new cars, trucks, minivans, and SUVs sold in America and select the top ones in each class as Best Buys.

"We congratulate Chrysler Group for holding a leadership position in the minivan, large SUV, and large pickup categories despite improved competition," Tom Appel, Publisher of Consumer Guide Automotive, said. "We're especially delighted to see Chrysler make its mark in the fiercely competitive midsize-car arena."

Consumer Guide Automotive editors analyze, compare and evaluate numerous vehicles by extensively testing all major models available in the United States. According to Consumer Guide Automotive, a vehicle does not become a Best Buy based solely on objective ratings; Best Buys also distinguish themselves as good values compared to other vehicles in their class.
