- Plenty of holiday gift ideas for aficionados among hundreds of Mopar accessories and merchandise items available at [Mopar.com](http://Mopar.com)
- Authentic Mopar merchandise including limited edition HEMI® blueprint poster, holiday ornaments, custom-designed Mopar apparel and authentic decor available at [WearMopar.com](http://WearMopar.com)
- More than 280,000 proven authentic quality-tested parts and accessories available via the Mopar e-store or through an authorized dealer

November 24, 2014, Auburn Hills, Mich. - The holiday gift-giving season is just a short drive around the corner, and Mopar is happy to provide a number of unique gift ideas with hundreds of fun and authentic merchandise items and a plethora of quality auto parts and accessories for every budget.

"Mopar has put together a great selection of new auto accessories and fun and distinctly designed brand merchandise that will make wonderful gifts for this upcoming holiday season," said Pietro Gorlier, President and CEO—Mopar Service, Parts and Customer Care. "These items have been added to the more than 280,000 proven, quality-tested auto parts and accessories already available from the Mopar.com e-store or an authorized dealer. Along with authentic apparel and gear, collectors' items and this year's unique HEMI® 50th anniversary line of merchandise, this season's holiday gift suggestions have something for every Mopar fan."

New Mopar merchandise for this year includes holiday ornaments, a special Mopar charm and a limited edition 426 Race HEMI 50th anniversary blueprint reproduction, complete with an authentication letter. All are available at [WearMopar.com](http://WearMopar.com).

These three unique items are just a part of the holiday gift suggestions that follow to round out the "Twelve Days of Christmas" for all the "naughty or nice" Mopar fans on your list:

### **HEMI Engine Blueprint Reproduction — \$250.95**

In honor of the 426 Race HEMI engine's 50th anniversary, Mopar is offering a very limited-edition poster that captures and preserves the beginnings of the iconic engine. A treasure saved from the company archives, this A864 Hemi Cylinder Block Line Drawing was professionally photographed and transferred to a sturdy backing material. Only 50 prints will be made available. They are accompanied by a letter of authenticity signed by "the father of the HEMI," Tom Hoover, and Mopar President and CEO, Pietro Gorlier. The exclusive collectable will be shipped in a specially marked tube as it unfurls to measure a full six feet in length (72-inch by 20-inch).

### **Mopar Brand**

Mopar (a simple contraction of the words Motor and PARTs) was trademarked in 1937 with the launch of an antifreeze product but truly made its mark in the 1960s during the muscle-car era. From Mopar Performance Parts to enhance speed and handling for both road and racing use, the brand soon expanded to include technical service and customer

support.

Today, Mopar is FCA's service, parts and customer-care brand and distributes more than 500,000 parts and accessories in more than 130 markets, integrating service, parts and customer-care operations in order to enhance dealer and customer support worldwide. Mopar is the source for genuine parts and accessories for FCA brands.

Mopar parts are unique in that they are engineered with the same teams that create factory-authorized vehicle specifications for FCA vehicles – a direct connection that no other aftermarket parts company can provide. A complete list of Mopar accessories and performance parts is available at [www.mopar.com](http://www.mopar.com).

### **Mopar-first Features**

Mopar has introduced numerous industry-first features including:

- **Vehicle-information apps:** first to introduce smartphone vehicle-information applications, a new channel of communication with customers
- **Electronic owner manuals:** first to introduce traditional owner manuals in a DVD and brief user-guide format. First to offer complete vehicle-information kits in Spanish
- **Wi-Fi:** first to offer customers the ability to make their vehicle a wireless hot spot
