Hispanic Motor Press Awards Name All-new 2015 Chrysler 200C “Best Sedan” and 2015 Dodge Challenger SRT Hellcat “Best Sportscar”

- Hispanic Motor Press Awards recognize the most outstanding all-new vehicles in the United States to go on sale in the 12 months preceding the award
- Overall design, comfort, safety, economy, handling, performance, functionality, environmental requirements, driver satisfaction and value are the criteria used by the judges to decide the award
- The all-new 2015 Chrysler 200 sedan delivers an elegant exterior design, a thoughtful, beautifully crafted interior, fuel economy of up to 36 miles per gallon and an exceptional driving experience, all for a starting price of \$21,700 excluding destination
- The 2015 Dodge Challenger SRT Hellcat is the fastest and most powerful muscle car ever with its 707 horsepower supercharged HEMI® V-8 engine and a National Hot Rod Association-certified ¼-mile elapsed time of 11.2 seconds at 125 miles per hour (mph) with stock Pirelli tires

November 24, 2014, Auburn Hills, Mich. - The Hispanic Motor Press Awards named two Chrysler Group vehicles the best of their segments. The all-new 2015 Chrysler 200 was named the “Best Sedan” and the all-new 2015 Dodge Challenger SRT Hellcat was named the “Best Sportscar.”

The only independent awards searching for the best car values for the Hispanic family, the Hispanic Motor Press Awards seek to find the single motorcar in each category that are the best values in the market for Hispanic families. All facets of the vehicles are evaluated by a team of judges including: design, comfort, safety, economy, handling, performance, functionality, environmental requirements, driver satisfaction and value.

Eligible vehicles considered for the awards must be all-new models and available to consumers in all 50 states.

"Although there were many good entries in the sedan category, the new Chrysler 200 was the favorite among the judges. The clean lines of the exterior and well thought out interior are attractive and effective. The large and easy to use infotainment system we found better than the rest. Overall this car offers a well-rounded package that will suit the Hispanic family", commented the jury director, Ricardo Rodriguez-Long.

Chrysler 200

The all-new 2015 Chrysler 200 is where exquisite style meets exceptional performance. The Chrysler 200 leapfrogs expectations for a mid-size car with an elegant exterior design, a thoughtful, beautifully crafted interior and an exceptional driving experience complements of a segment-first nine-speed automatic transmission and an all-new chassis. With highway fuel economy of 36 miles per gallon; the most available safety and security features in the segment with 60; an available, best-in-class all-wheel drive system; easy-to-use, state-of-the-art technology and a starting U.S. Manufacturer's Suggested Retail Price (MSRP) of just \$21,700, the all-new 2015 Chrysler 200 is a car that customers will be proud to own, at a price they will appreciate. The 2015 Chrysler 200 is designed, engineered and built with pride in Michigan.

Dodge Challenger SRT Hellcat

The new 2015 Dodge Challenger SRT Hellcat has been redesigned and totally re-engineered to be the most true-to-form muscle coupe on the market with performance-enhancing technologies inside and out, including the new TorqueFlite eight-speed automatic transmission or six-speed manual and an all-new interior inspired by the classic 1971 Challenger.

The 2015 Dodge Challenger SRT Hellcat is the fastest muscle car ever with a National Hot Rod Association-certified

¼-mile elapsed time of 11.2 seconds at 125 miles per hour (mph) with stock Pirelli P275/40ZR20 P Zero tires. With drag radials, the ¼-mile run dropped to just 10.8 seconds at 126 mph.

The fastest muscle car ever is also the most powerful muscle car ever, thanks to the Challenger SRT's HEMI Hellcat, which delivers an unprecedented 707 horsepower and 650 lb.-ft. of torque. The 6.2-liter V-8 is also the first factory-built supercharged HEMI.

Equipped with Chrysler Group's segment-exclusive TorqueFlite eight-speed automatic transmission, the new Challenger SRT Hellcat has earned a highway fuel-economy rating of 22 miles per gallon (mpg) from the U.S. Environmental Protection Agency (EPA). Not to be outdone, the Challenger SRT Hellcat earns an EPA highway rating of 21 mpg when equipped with the new-for-2015 six-speed manual transmission.

The 2015 Dodge Challenger SRT Hellcat has a starting U.S. MSRP (Manufacturers Suggested Retail Price) of \$59,995 (excluding \$995 destination, includes \$2,100 gas-guzzler tax; \$1,700 gas-guzzler tax on models with the TorqueFlite eight-speed automatic).

About Chrysler Brand

The Chrysler brand has delighted customers with distinctive designs, craftsmanship, intuitive innovation and technology all at an extraordinary value since the company was founded in 1926.

Whether it is the groundbreaking, bold design of the Chrysler 300, the simple elegance and extraordinary driving experience of the all-new 2015 Chrysler 200 or the family-room-on-wheels functionality of the Chrysler Town & Country, Chrysler brand vehicles reward the passion, creativity and sense of accomplishment of its owners. Beyond just exceptionally designed vehicles, the Chrysler brand has incorporated thoughtful features into all of its products, such as the innovative center console with pass through storage and sliding cup holders in the 2015 Chrysler 200, the industry-exclusive Stow 'n Go® seating and storage system on the Chrysler Town & Country and the fuel-saving Fuel Saver Technology in the Chrysler 300.

The Chrysler brand's succession of innovative product introductions continues to solidify the brand's standing as the leader in design, engineering and value. The premium for the Chrysler brand is in the product, not the price.

Dodge//SRT

For more than 100 years, the Dodge brand has carried on the spirit of brothers John and Horace Dodge. Their influence continues today as Dodge shifts into high gear with a lineup that delivers unrivaled performance in each of the segments in which the brand competes while moving forward to a future that includes electrified muscle in the form of the next-generation, all-new Dodge Charger.

The next-generation Dodge Charger electrifies a legend, with the Charger retaining its title as the world's quickest and most powerful muscle car led by the all-new, all-electric 2024 Dodge Charger Daytona Scat Pack. The all-new Dodge Charger will also offer performance choices via multi-energy powertrain options including the 550-horsepower Dodge Charger SIXPACK H.O., powered by the 3.0L Twin Turbo Hurricane High Output engine.

Dodge also keeps its foot on the gas as a pure performance brand with the 710-horsepower Dodge Durango SRT Hellcat, the most powerful SUV ever, and best-in-class standard performance in the compact utility vehicle segment with the Dodge Hornet.
