

Jeep® Grand Cherokee Wins Inaugural PAPA Best of the Southwest Award and Luxury Off-Road Award at 12th Annual Carspondent.com Active Lifestyle Vehicle Competition

- Jeep® Grand Cherokee wins inaugural Phoenix Automotive Press Association (PAPA) Best of the Southwest award
- PAPA Best of the Southwest winner chosen from the Active Lifestyle Vehicle finalists
- Jeep Grand Cherokee Summit EcoDiesel wins “Luxury Off-Road” category
- More than 100 athletes and outdoor enthusiasts evaluated the vehicles and voted for the winners

October 22, 2015, Auburn Hills, Mich. - The Jeep® Grand Cherokee took home two awards at this year's Active Lifestyle Vehicle (ALV) awards, including the inaugural Phoenix Automotive Press Association (PAPA) Best of the Southwest award.

The 12th annual Carspondent.com “Active Lifestyle Vehicle of the Year” awards competition was held at San Marcos Golf Resort in Chandler, Ariz.

Local members of the Phoenix-area media, including PAPA members, spent the first day of the competition evaluating cars, crossovers, SUVs and trucks. The second day brought more than 100 athletes and outdoor enthusiasts from all over the country to evaluate the same vehicles.

At the conclusion of the ALV event, Jeep Grand Cherokee took home two awards:

- The inaugural PAPA Best of the Southwest award
- Luxury Off-Road (MSRP over \$35,000 with true off-road capability)

“The Jeep Grand Cherokee ticked all the boxes for our PAPA panel of automotive journalists as a durable go-anywhere vehicle with plenty of room for people and gear,” said Bob Golfen, automotive journalist and PAPA member. “PAPA jurors also were impressed by the Jeep's premium interior and superior drivability, which make it an ideal all-around SUV for daily driving and vacation fun.”

The Active Lifestyle Vehicle competition is unique because it's the only annual awards program where outdoor enthusiasts, athletes and the automotive media come together to pick the winners. The evaluation process includes navigating an off-road course and on-road driving, too.

“With its fuel-efficient EcoDiesel engine, the Jeep Grand Cherokee has the off-road capability and range to venture far off the grid, while maintaining the appealing style, comfort and convenience features that buyers in this segment demand,” said Nina Russin, ALV co-founder. “As such, the Grand Cherokee can keep up with the demanding lifestyles of elite and recreational athletes who need a daily commuter during the week, but a highly off-road capable vehicle for the weekend.”

The ALV awards were co-founded by Bob Babbitt, a member of the Ironman Hall of Fame, and Jim Woodman, longtime journalist, triathlete and founder of Active.com, as well as Nina Russin, longtime distance runner and auto journalist.
