2017 Chrysler 200 Fact Sheet

New for 2017

- New Dark Appearance Package on 200 Touring features 18-inch Jet Black Gloss wheels, halogen headlamps with black molding and a gloss black exterior treatment
- The 200S model's Alloy Edition Package features a sport-tuned suspension for driving enjoyment and offers advanced all-wheel-drive (AWD) systems with Sport mode for added all-weather traction and handling. With unique Dark Bronze and Titanium finishes, the 200S Alloy Edition showcases Chrysler brand's leadership in color and material design

August 31, 2016, Auburn Hills, Mich. - Exquisite style meets exceptional performance in Chrysler 200. Featuring three recently introduced trim levels (Touring, Limited Platinum and 200C Platinum), the Chrysler 200 provides an abundance of exciting features including: Uconnect 8.4 touchscreen with SiriusXM Radio, leather steering wheel, 18-inch wheels, HID headlamps with LED daytime running lamps and LED fog lamps as well as an Alpine 10-speaker, 506-watt premium audio system. The 200 exceeds expectations for a mid-size car with an elegant exterior design, a thoughtful, beautifully crafted interior and an exceptional driving experience. With highway fuel economy of 36 miles per gallon (mpg), 60 available safety and security features, an available, best-in-class all-wheel-drive system, easy-to-use, state-of-the-art technology and a starting U.S. Manufacturer's Suggested Retail Price (MSRP) of just \$21,995, the Chrysler 200 is a car that customers will be proud to own, at a price they will appreciate. The Chrysler 200 is designed, engineered and built with pride in Michigan.

Highlights

- Inspired by iconic American design, the 2017 Chrysler 200 delivers beautiful craftsmanship using high-quality materials, understated elegance, is loaded with state-of-the-art technology and safety features and delivers highway fuel economy of up to 36 miles per gallon (mpg)
- 2017 Chrysler 200 features pioneering drivetrain technology, including a standard nine-speed automatic transmission, state-of-the-art electronic shifting and an all-wheel-drive system with an automatic, fully disconnecting rear axle, improving fuel economy by reducing parasitic loss when all-wheel drive is not needed
- 2017 Chrysler 200 offers 60 available safety and security features, including a rear backup camera, Blind-spot Monitoring, Rear Cross Path detection, Adaptive Cruise Control-Plus, LaneSense Lane Departure Warning-Plus with Lane Keep Assist, Forward Collision Warning-Plus and Parallel and Perpendicular Park Assist
- The 2017 Chrysler 200 competes in the mid-size sedan segment, one of the largest segments in North America, with more than 2 million sales annually – roughly one of every six new vehicles sold in the United States is a mid-size sedan

Chrysler Brand

The Chrysler brand has delighted customers with distinctive designs, craftsmanship, and advanced innovation and technology since the company was founded in 1925. Chrysler continues to build on that nearly 100-year legacy of creating ingenious products and technologies for mainstream customers, moving forward on an electrified transformation that will launch the brand's first battery-electric vehicle in 2025 and an all-electric portfolio in 2028.

The Chrysler Pacifica continues to reinvent the minivan, a segment Chrysler created 40 years ago. The Chrysler Pacifica Plug-in Hybrid symbolizes the brand's electrification evolution, representing the first electrified minivan in the segment and achieving 82 MPGe, an all-electric range of 32 miles and a total range of 520 miles. Chrysler Pacifica delivers the most standard safety features and most advanced available all-wheel-drive system in its class and is also the most awarded minivan over the last seven years with more than 175 honors and industry accolades since its introduction as a minivan.

Chrysler is part of the portfolio of brands offered by leading global automaker and mobility provider Stellantis. For more information regarding Stellantis (NYSE: STLA), please visit www.stellantis.com.
