About FIAT Brand

Celebrating its 120th anniversary in 2019, head-turning Italian design and the ultimate fun-to-drive factor come standard with every FIAT. That philosophy is embodied by the iconic Fiat 500 or Cinquecento – a small car that lives big. Born in Italy and rooted in a rich heritage, the 500 is now sold in more than 100 countries.

In North America, the Fiat 500 was introduced in March 2011 and was soon followed by the Fiat 500c (Cabrio), the high-performance Fiat 500 Abarth and Abarth Cabrio, the fully electric Fiat 500e, the five-passenger Fiat 500L and the all-wheel-drive Fiat 500X crossover. The FIAT brand continued its expansion with the introduction of the Fiat 124 Spider, a revival of the iconic roadster that combines Italian style, performance and engaging driving dynamics.

The FIAT brand now offers standard turbo powertrains that deliver at least 30 mpg across the entire product lineup.
