2018 Ram ProMaster Fact Sheet

September 1, 2017, Auburn Hills, Mich. - The ProMaster is Ram Commercial's entry for the Class 2 full-size van segment. Ram's full-size van benefits from an exclusive front-wheel-drive system, reducing weight and complexity by locating all components beneath the cab. This keeps the cargo load floor height and step-in height very low, which is a great feature for the person getting in and out of the van all day. It also helps in low-traction surfaces, like snow, since there is always weight on the front wheels to provide traction. Coupled with gas and EcoDiesel powertrain options, the result is a purpose-built, highly customizable van designed to exceed the demands of commercial customers and upfitters.

New for 2018

- Uconnect 5.0 now standard equipment with optional navigation
- Integrated Voice Command with Bluetooth is now standard along with steering wheel mounted audio controls
- Rear backup camera now standard on all models and backup camera kit with Chassis Cab and Cutaway models
- Right and left sliding doors now feature a window grate with fixed glass option

Highlights

- ProMaster best-in-class features:
 - Standard V-6 horsepower
 - Turning diameter
 - Standard interior cargo height
 - Load floor height
 - Cargo width between wheel wells
 - Maximum cargo width
 - Class-exclusive front-wheel drive
 - Most capable van-based Chassis Cab
- The 2018 Ram ProMaster features the 3.6-liter Pentastar V-6 engine and a torque-laden, 3.0-liter EcoDiesel I-4 engine. The engines are paired, respectively, with a proven six-speed automatic transmission and an electronically controlled Dual Active Drive six-speed automated manual for outstanding fuel economy
- The Ram design team started with a functional exterior and interior, adding distinct Ram styling while adapting the full-size van for North America

About Ram Truck Brand

In 2009, the Ram Truck brand launched as a stand-alone division, focused on meeting the demands of truck buyers and delivering benchmark-quality vehicles.

That focus leads Ram to design the industry's most innovative, award-winning trucks, emphasizing durability, strength, technology and efficiency.

With a full lineup of trucks, including ProMaster and ProMaster City vans, the Ram brand builds trucks that get the hard work done and families where they need to go. From the no-compromise Ram 1500 that defines the future of pickup trucks with innovative design, the highest quality materials and class-exclusive technology, to the Ram Heavy Duty which combines the ability to out-power, out-tow and out-haul every single competitor with the segment's most comfortable ride and handling, Ram is committed to product leadership.

Ram continues to outperform the competition and sets the benchmarks for:

- Most powerful: 1,000 lb.-ft of torque with Cummins Turbo Diesel
- Highest towing capacity: 35,100 lbs. with Ram 3500
- Heaviest payloads: 7,680 lbs. with Ram 3500
- Most luxurious: Ram Limited with real wood, real leather and 12-inch Uconnect touchscreen
- Best ride and handling with exclusive link coil rear and auto-level air suspensions
- Most interior space with Ram Mega Cab
- Most capable full-size off-road pickup – Ram Power Wagon
- Most-awarded light-duty truck in America
- Highest owner loyalty of any half-ton pickup
- Over the last 30 years, Ram has the highest percentage of pickups still on the road

Giving maximum effort all day, every day with confidence, the Ram Truck lineup steps forward with the full force of modern capability providing confidence-inspiring features and class-exclusive vehicle safety.
