2018 Dodge Grand Caravan Fact Sheet

September 1, 2017, Auburn Hills, Mich. - The Dodge Grand Caravan continues its tradition of offering customers style, versatility and added features at an outstanding value. Since FCA US LLC invented the minivan segment 35 years ago, the innovative Grand Caravan has introduced nearly 80 segment firsts, including ParkView rear backup camera, Stow 'n Place roof rack and selectable fuel economizer mode. One innovation that continues is the Grand Caravan's industry-exclusive Super Stow 'n Go seating, which can be easily operated with one hand, allowing users to convert from carrying seven to hauling cargo in a matter of seconds. The Grand Caravan is equipped with more than 55 available safety, security and technology features.

Highlights

- Standard award-winning 3.6-liter Pentastar V-6 engine delivers 283 horsepower without a penalty at the gas pump, getting up to 25 miles per gallon (mpg)
- More than 55 available safety and security features include standard front seat-mounted side air bags, a driver-side knee blocker air bag, three-row side-curtain air bags, electronic stability control (ESC), tire-pressure monitoring, daytime running lights (DRLs) and remote keyless entry. The available Safety Sphere Package of features includes ParkSense rear park assist, Blind-spot Monitoring and Rear Cross Path detection system
- The Grand Caravan SE is the entry-level model and offers a number of standard features, including remote keyless entry, sunscreen glass, heat and air conditioning in all three rows, third-row Stow 'n Go with available tailgate seating, 6.5-inch touchscreen radio with ParkView rear backup camera, power locks and power windows in all three rows, power heated mirrors, as well as safety features like trailer sway damping, electronic stability control, seven airbags and daytime running lights
- The 2018 Grand Caravan SE Plus is enhanced with the popular Blacktop Appearance Package and continues to feature the popular Plus Package, offering well-liked features at a sizable value, including 17-inch aluminum wheels, premium cloth seats with silver accent stitching, leather-wrapped steering wheel and shift knob and Uconnect Handsfree Group
- The Grand Caravan SXT offers added content at a great value with standard 17-inch polished wheels with Granite Crystal pockets, leather seats with suede inserts and silver accent stitching, automatic headlamps, fog lamps, power eight-way driver seat, power sliding doors and liftgate and the Stow 'n Place roof rack. The Security Group, which includes security alarm and remote start, is also standard on the SXT model
- The Blacktop Package, an exclusive customized blacked-out appearance first introduced in 2014, is standard on the Grand Caravan SE Plus and continues to be available on SXT models for 2018. The Blacktop Package includes 17-inch polished aluminum wheels with Gloss Black pockets, a Gloss Black grille, black headlamp bezels, an all-black interior, including headliner, door panels and console, unique black seats and door trim panels with silver accent stitching, a leather-wrapped steering wheel with silver accent stitching and a leather shift knob

About Dodge//SRT

Dodge//SRT offers a complete lineup of performance vehicles that stand out in their own segments. Dodge is America's performance brand and SRT is positioned as the ultimate performance halo of the Dodge brand, together creating a complete and balanced performance brand with one vision and one voice.

For more than 100 years, the Dodge brand has carried on the spirit of brothers John and Horace Dodge, who founded the brand in 1914. Their influence continues today. For 2020, Dodge literally expands its high-performance Charger model lineup, adding a Widebody exterior to America's only four-door muscle car. Powered by the 707-horsepower supercharged 6.2-liter HEMI® Hellcat V-8 engine, the 2020 Dodge Charger SRT Hellcat maintains its reign as the most powerful and fastest mass-produced sedan in the world.

The 2019 Dodge Challenger SRT Hellcat Redeye is possessed by the Demon. Its 797-horsepower supercharged HEMI® high-output engine makes it the most powerful, quickest and fastest muscle car, reaching 0-60 miles per hour (mph) in 3.4 seconds, and the fastest GT production car with a ¼-mile elapsed time (ET) of 10.8 seconds at 131 mph. It also reaches a new top speed of 203 mph.

Joining the Challenger SRT Hellcat Redeye is the 2019 Dodge Challenger SRT Hellcat, with its more powerful 717-horsepower engine, and the Challenger R/T Scat Pack Widebody, featuring fender flares from the SRT Hellcat Widebody, which add 3.5 inches of width to the 485-horsepower Scat Pack's standard body. Also new for 2019 is the Challenger R/T Scat Pak 1320 with exclusive drag strip technology from the iconic Dodge Challenger SRT Demon. The Challenger R/T Scat Pack 1320 is a drag-oriented, street-legal muscle car and a blank canvas for the serious grassroots drag racer. The 2019 Dodge Durango SRT, America's fastest, most powerful and most capable three-row SUV with a best-in-class tow rating of 8,700 lbs., completes the brand's performance lineup. These visceral performance models join a 2019 brand lineup that includes the Durango, Grand Caravan, Journey, Charger and Challenger — a showroom that offers performance at every price point.
