## 2018 Dodge Journey Fact Sheet

September 1, 2017, Auburn Hills, Mich. - The 2018 Dodge Journey is the most affordable and most powerful three-row mid-size crossover priced less than \$30,000 U.S. Manufacturer's Suggested Retail Price (MSRP). It is the only crossover in the segment to offer standard seven-passenger seating and a choice of four- or six-cylinder engines, as well as front or all-wheel drive. Journey continues to offer customers better value while delivering vehicle connectivity and customization with the available Uconnect 8.4-inch infotainment system. With standard fold-flat second and third-row seats and second-row in-floor storage, the Journey is a true utility infielder. The Dodge Journey has more than 40 available safety and security features and is America's most affordable seven-seat crossover.

### New for 2018

- Dodge simplifies the 2018 Journey lineup to four models: Journey SE, Journey SXT, Journey Crossroad and Journey GT, delivering consumers the content they desire at a lower starting U.S. MSRP
- New for 2018, three-row seating is standard on all Journey models making it the most affordable and most powerful three-row mid-size crossover priced less than \$30,000 U.S. MSRP
- All Journey Crossroad models now feature new "Black Noise" 19-inch aluminum wheels, which provide a dramatic styling statement
- New for 2018, popular Blacktop Package is available on Journey SE, joining SXT and GT models. The Blacktop Package includes black roof rails, Gloss Black exterior mirrors, fascia applique, grille, 17-inch aluminum wheels on SE models and 19-inch aluminum wheels on SXT and GT models

### Highlights

- Dodge Journey is the "Swiss army knife" of crossovers, offering the choice of four- or six-cylinder engines and standard seven-passenger seating. All Journey models are available with front- or all-wheel drive
- Journey's available all-wheel-drive system works on demand, driving only the front wheels until power to the rear wheels is needed to maximize fuel efficiency. All-wheel drive also is used on dry pavement between speeds of 25 and 65 mph to enhance handling during performance driving
- The award-winning 3.6-liter Pentastar V-6 engine, available on SXT and Crossroad, while standard on GT and all-wheel drive (AWD) models, produces 283 horsepower and 260 lb.-ft. of torque and is mated to a smooth-shifting six-speed automatic transmission
- Journey features a standard 2.4-liter 16-valve DOHC four-cylinder engine, which produces 173 horsepower and 166 lb.-ft. of torque, linked to a four-speed automatic transmission
- Journey maintains sculpted, clean, aggressive lines and a front fascia that sports the signature Dodge brand "split crosshair" grille. Bold "ring of fire" LED tail lamps feature a distinctive style, while 19-inch aluminum wheels, standard on Crossroad and GT, provide a dramatic styling statement
- Featuring an available largest-in-class Uconnect 8.4-inch touchscreen, standard Keyless Enter 'n Go with push-button start and available heated steering wheel, Dodge Journey offers a slew of high-tech features at a price that is still affordable for families
- Journey's Uconnect touchscreen command center offers navigation, voice-command music selections and the ability to check fuel prices. With its touchscreen display and user-friendly, touch-key categories, connecting and controlling personal devices is simple, intuitive and customizable.
- Owners will feel like they have the world at their fingertips with the Journey's Uconnect touchscreen command center. From navigation to voice-command music selections to the ability to check fuel prices, the Uconnect media center makes life in the Journey an excellent adventure for the driver and passengers. Four Uconnect models are available, all featuring easy-to-use controls and class-leading technology. With its touchscreen display and user-friendly touch-key categories, connecting and

controlling personal devices is simple, intuitive and customizable

- Innovative removable in-floor storage bins ahead of the second-row seats are standard on all trims and can hold everything from muddy clothes to soda cans or conceal valuables, such as a camera, laptop or purse
- Journey's interior is both spacious and functional. Second and third-row seats fold flat to create 67.6 cu. ft. of cargo space. Second-row seats recline and have available class-exclusive integrated child booster seats.
- Journey has more than 40 available safety and security features, including multistage front passenger air bags, active head restraints, electronic stability control with all-speed traction control, electronic roll mitigation and Brake Assist, driver-side knee blocker air bag, side-curtain air bags covering all three rows, front seat-mounted side air bags, LATCH child seat anchor system and trailer-sway control are standard on all Dodge Journey models

### **About Dodge//SRT**

For more than 100 years, the Dodge brand has carried on the spirit of brothers John and Horace Dodge. Their influence continues today as Dodge proudly offers a complete lineup of performance vehicles that stand out in their own segments. For 2020, Dodge literally expands its high-performance Charger model lineup, adding a Widebody exterior to America's only four-door muscle car. The 2020 Dodge Charger SRT Hellcat maintains its reign as the most powerful and fastest mass-produced sedan in the world.

The 2020 Dodge lineup also features the 2020 Dodge Challenger SRT Hellcat Redeye, 2020 Dodge Challenger SRT Hellcat, the Challenger R/T Scat Pack Widebody and the 2020 Challenger R/T Scat Pack 1320. The 2020 Dodge Durango SRT, the fastest, most powerful and most capable American three-row SUV, completes the brand's performance lineup. These visceral performance models join a 2020 brand lineup that includes the Durango, Grand Caravan, Journey, Charger and Challenger. Dodge is part of the portfolio of brands offered by global automaker Fiat Chrysler Automobiles. For more information regarding FCA (NYSE: FCAU/ MTA:
