Camp Jeep® On The Road takes the most popular elements of the brand's legendary Camp Jeep event on tour this summer. The event will stop in Denver on September 24-25, 2005 at the Bandimere Speedway on 3051 S. Rooney Road Morrison Colorado 803456. Each tour stop will provide consumers with the opportunity to test-drive Jeep vehicles in a variety of off- and on-road conditions. Camp Jeep On The Road will also provide visitors with a chance to participate in thrilling activities that are synonymous with the Jeep lifestyle.

"When it comes to sharing the experience of legendary Jeep 4x4 capability with consumers, Jeep has done it through Camp Jeep, Jeep Jamborees, music, gaming, extreme sports and many other award-winning activities," said Jeff Bell, Vice President – Chrysler/Jeep. "Camp Jeep On The Road is a way for the Jeep brand to take some of the most exciting elements of these programs to consumers who haven't been able to join us in the past."

Each two-day weekend (Saturday and Sunday) event is free of charge for owners and non-owners alike. Hours for Camp Jeep On the Road are 9 a.m. – 7 p.m. on Saturday and 9 a.m. – 6 p.m. on Sunday. There is no cost to the event, but registration is recommended.

The unique Jeep courses let consumers experience the all-new 2005 Jeep Grand Cherokee, Liberty and Wrangler models off- and on-road. The Trail Rated Off-Road Course allows guests to navigate through obstacles such as steep grades, rocky trails, switchbacks and log crossing under the guidance of a trained driving instructor. The street course offers everyday driving tips including safe acceleration as well as steering and braking techniques on a variety of surfaces. Each driving program conveys safety and educational messages in a fun, interactive environment.

Camp Jeep On the Road will also feature the newest and oldest members of the Jeep family – the 2006 Jeep Commander, unveiled at the New York International Auto Show in March, and the historic Jeep Willys MB.

In addition to the test drive, Camp Jeep On The Road offers a variety of Jeep lifestyle activities, including mountain biking, Quattro bungee jumping and a climbing wall. The "Camp Kids" area will give future Jeepers the opportunity to drive "Power Wheels" mini-Jeep vehicles. There will also be premium giveaways and special savings on new vehicles.

Jeep owners will receive special access to the Jeep Owners Playground, where they will have the chance to test their own vehicle on a series of challenging obstacles that will help prove to them the capabilities of their own Jeep vehicles.
