May 4, 2018, Auburn Hills, Mich. - The editors of *DiversityInc* magazine have named FCA US LLC to the magazine's 2018 list of "Noteworthy Companies for Diversity" and to the list of "Top Companies for Veterans."

This is the 10th year the Company has earned a place among the magazine's top 50 or most noteworthy companies for diversity since the benchmarks were established in 2001. It is the second consecutive year that FCA US earned a position on the magazine's top companies for veterans list, which was established in 2017.

These annual benchmarks recognize the best diversity-management leaders in the U.S. Selected companies excel in such areas as hiring, retaining and promoting women, minorities, people with disabilities, LGBTQ employees and veterans, as well as programs that support supplier diversity, *DiversityInc* notes.

More than 1,000 companies participated in the 2018 evaluation.

"FCA US has a longstanding, enterprise-wide commitment to diversity and inclusion while promoting a work culture where all employees and business partners are engaged, included and respected," said Barb Pilarski, Head of Human Resources, FCA US LLC. "Our pledge to our employees, our dealers, our suppliers and our customers is to ensure that diversity and inclusion is an everyday practice in our workplace. These employee-directed groups are each assigned an executive sponsor, and individually and collectively pursue initiatives that enhance the FCA US work culture by focusing on career development of members, celebrating multicultural differences and bringing value to the Company and external communities through volunteer, charitable

and strategic activities.
