July 12, 2018, Auburn Hills, Mich. - Dodge is inviting its enthusiasts and National Hot Rod Association (NHRA) race fans to participate in the "Drag Strip Showdown," a head-to-head competition in Dodge Challenger SRT Demon simulators where the top four drivers with the best race times win trips to the Dodge//SRT Bondurant Drag Racing School.

The contest winners will be paired with either Mopar Dodge Top Fuel driver Leah Pritchett or Mopar Dodge Charger Funny Car driver Matt Hagan and be coached for the final competition taking place at Bondurant in the 840-horsepower Dodge Challenger SRT Demon – the industry's first and only purpose-built, street-legal production drag car and the most powerful muscle car ever.

"Always a popular draw at events, the Dodge Challenger SRT Demon simulators provide drivers with incredibly realistic, interactive drag racing experiences as they go head-to-head to see who has the fastest reaction time and quarter-mile time," said Steve Beahm, Head of Passenger Car Brands – Dodge//SRT, Chrysler and FIAT, FCA - North America. "Honing these skills in the 'Drag Strip Showdown' will be excellent practice for working with Leah Pritchett and Matt Hagan before taking the wheel in an actual 840-horsepower Demon on the Bondurant drag racing track."

The "Drag Strip Showdown" begins Thursday, July 19 at the 39th annual Dodge Mile-High NHRA Nationals Powered by Mopar near Denver. The showdown runs through November 11 at Dodge-sponsored NHRA races throughout the country, as well as the August 11 Motor Trend Group's " [Roadkill Nights Powered by Dodge](#)" popular street drag racing and car festival in Pontiac, Michigan, and the October 30-November 2 Specialty Equipment Market Association (SEMA) trade show in Las Vegas.

A leaderboard at each event instantly displays competitors' time and rank after their run. The [Dodge Garage](#) digital content hub will also showcase the leaderboard, displaying the top competitors and promoting the competition.

Enthusiasts have another opportunity to attend the Dodge//SRT Bondurant Drag Racing School by entering the "Drag Strip Showdown" sweepstakes component of the promotion at [Dodge Garage](#) when the promotion begins July 19. Two additional winners will be randomly selected to receive gift certificates to the school at a date of their

choosing.

Racing fans can test their skills in the Dodge Challenger SRT Demon simulators and enter “Drag Strip Showdown” contest at these events:

Dodge 'Drag Strip Showdown' Contest and Sweepstakes Rules

The “Drag Strip Showdown” promotion consists of a contest that takes place during various events and a sweepstakes that will be available online during event days. Eligible entrants must have a free [DodgeGarage.com](#) account and may only participate in the contest while at the events or while the event is underway for the sweepstakes. “Drag Strip Showdown” entrants must be legal residents of the 50 United States and the District of Columbia who are at least 21 years old at the time of entry.

A contest entrant may participate in multiple races at the same or different events from July 19 to November 11; however, only the fastest elapsed race time will be used as the one contest entry. Online sweepstakes entries are limited to one per day per user name, only during the event days when the simulators are running.

Additional contest and sweepstakes details are available [here](#).

For more than 100 years, the Dodge brand has carried on the spirit of brothers John and Horace Dodge. Their influence continues today as Dodge shifts into high gear with a lineup that delivers unrivaled performance in each of the segments in which the brand competes while moving forward to a future that includes electrified muscle in the form of the next-generation, all-new Dodge Charger.

The next-generation Dodge Charger electrifies a legend, with the Charger retaining its title as the world's quickest and most powerful muscle car led by the all-new, all-electric 2024 Dodge Charger Daytona Scat Pack. The all-new Dodge Charger will also offer performance choices via multi-energy powertrain options including the 550-horsepower Dodge Charger SIXPACK H.O., powered by the 3.0L Twin Turbo Hurricane High Output engine.

Dodge also keeps its foot on the gas as a pure performance brand with the 710-horsepower Dodge Durango SRT Hellcat, the most powerful SUV ever, and best-in-class standard performance in the compact utility vehicle segment with the Dodge Hornet.
