FCA Canada: 2019 Fiat 500L Fact Sheet

August 31, 2018, Windsor, Ontario - Building on the style, efficiency and driving enjoyment that has made the Fiat 500 an icon, the Fiat 500L expands the Cinquecento's appeal by offering 42 per cent extra interior space with comfortable seating for five, engaging driving dynamics and a 160 horsepower (hp) 1.4-litre MultiAir Turbo engine, all wrapped in contemporary Italian design.

New for 2019:

- New colour combinations: Bronzo Metallizato (Bronze Metallic) now available on Sport models and Rosso (Red) now available on Trekking models

Highlights:

- Fiat 500L pays design homage to the FIAT brand's history of innovative multifunctional vehicles. The exterior exudes contemporary Italian design with iconic Cinquecento cues. Inside, the Fiat 500L features segment-exclusive glass from the A- and D-pillars for an interior environment encapsulated by nearly 360-degree views
- 2019 Fiat 500L Trekking expands the appeal and practicality of the Fiat 500L with distinct, rugged looks; unique front and rear fascia designs; flared wheel arches and unique 17-inch wheels to support its adventurous personality
- Building upon the Cinquecento's fun-to-drive DNA, the 2019 Fiat 500L features a touring-tuned chassis, which complements its MultiAir Turbo engine
- More than 40 available safety and security features are available on the 2019 Fiat 500L, including standard ParkView rear backup camera, electronic stability control, seven standard air bags and the available ParkSense rear park assist system
- The 2019 Fiat 500L features innovative technology, including standard Uconnect 4 multimedia centre with a 7-inch touchscreen with Apple CarPlay and Android Auto; available navigation; hands-free communication with Bluetooth streaming audio; and SiriusXM Satellite Radio
- Apple CarPlay enables iPhone users to access Apple Maps, Messages, phone and Apple Music through Siri Voice control or the Uconnect touchscreen
- Android Auto enables easy and safe access to Google voice search, Google Maps and Google Play Music via the Uconnect 7-inch touchscreen or steering wheel controls
- Uconnect 4 multimedia centre includes performance improvements with faster startup time, enhanced processing power, vivid imagery, plus higher resolution and sharper graphics
