Jeep® Experience - Rubicon Trail 2018

September 19, 2018, Tahoe City, California - Global media drove the 2018 Jeep® Wrangler Rubicon at the iconic Rubicon Trail near Lake Tahoe, California, in August 2018.

The all-new Jeep Wrangler is built at the Toledo Assembly Complex with three fuel-efficient powertrain options (3.6L ESS gas, 2.0L ESS gas and 2.2L ESS diesel) for markets around the world.
