## Chrysler Pacifica Named 'Family Car of the Year' by Cars.com for the Second Consecutive Year

- In its 2017 model-year introduction, the Chrysler Pacifica was the first minivan to win Cars.com's 'Best of' Award – the top honor awarded to all-new or fully redesigned vehicles
- Chrysler Pacifica follows up on the top honor, winning Cars.com 'Family Car of the Year' for the second year in a row
- Cars.com honors vehicles that excel in three key criteria: quality, innovation and value
- The most awarded minivan of 2016, 2017 and 2018, the Chrysler Pacifica reinvents the minivan segment with an unprecedented level of functionality, versatility, technology and bold styling

January 24, 2019, Auburn Hills, Mich. - Cars.com editors announced today that the [2019 Chrysler Pacifica](#) is once again its 'Family Car of the Year.'

This is the second year in a row that the Chrysler Pacifica has earned the 'Family Car of the Year' title, building on its 2017 model-year introduction win of Cars.com's 'Best of' Award. Pacifica was the first minivan to win Cars.com's 'Best of' top honor, which is awarded to an all-new or fully redesigned vehicle.

According to [Cars.com](#) editors, "All minivans are tailored for families, but the 2019 Chrysler Pacifica takes that concept further than any other, proving to be the most comfortable, entertaining and versatile of the class. For hauling furniture, Chrysler's Stow 'n Go fold-flat seats are matchless. The optional built-in entertainment system Uconnect Theater features apps and games to keep boredom and arrival-time requests at bay. It'll even help with clean up; when snack time gets out of control, put the optional Stow 'n Vac vacuum to work. The Pacifica is the first minivan to offer a hybrid version of any kind; the Pacifica plug-in hybrid delivers an EPA-estimated electric range of up to 32 miles before reverting to an impressive estimated 30 mpg combined."

All winning vehicles are 2019 models, and each vehicle represented on the list excels in three key criteria: quality, innovation and value.

### 2019 Chrysler Pacifica/Pacifica Hybrid

The Chrysler Pacifica and Pacifica Hybrid reinvent the minivan segment with an unprecedented level of functionality, versatility, technology and bold styling. Re-engineered from the ground up on an all-new platform, the Pacifica delivers class-leading gasoline and hybrid powertrains to the minivan segment. The Pacifica Hybrid takes this revolutionary vehicle a step further with its innovative, advanced hybrid powertrain. It's the first electrified vehicle in the minivan segment and achieves more than 80 miles per gallon equivalent (MPGe) in electric-only mode, an all-electric range of more than 30 miles and a total range of more than 500 miles.

With more than 100 available safety and security features, the Uconnect Theater rear-seat entertainment system, available 4G Wi-Fi and a full array of comfort and convenience technologies, the Chrysler Pacifica and Pacifica Hybrid are no-compromise minivans ideally suited for today's families and have earned their spots as the most awarded minivans of the year.

### About Cars.com

Cars.com™ is a leading two-sided digital automotive marketplace that creates meaningful connections between buyers and sellers. Launched in 1998 and headquartered in Chicago, the company empowers consumers with resources and information to make informed buying decisions around The 4Ps of Automotive Marketing™: Product,

Price, Place and Person, by connecting advertising partners with in-market car shoppers and providing data-driven intelligence to increase inventory turn and gain market share. #### **Chrysler Brand**

The Chrysler brand has delighted customers with distinctive designs, craftsmanship, and advanced innovation and technology since the company was founded in 1925. Chrysler continues to build on that nearly 100-year legacy of creating ingenious products and technologies for mainstream customers, moving forward on an electrified transformation that will launch the brand's first battery-electric vehicle in 2025 and an all-electric portfolio in 2028.

The Chrysler Pacifica continues to reinvent the minivan, a segment Chrysler created 40 years ago. The Chrysler Pacifica Plug-in Hybrid symbolizes the brand's electrification evolution, representing the first electrified minivan in the segment and achieving 82 MPGe, an all-electric range of 32 miles and a total range of 520 miles. Chrysler Pacifica delivers the most standard safety features and most advanced available all-wheel-drive system in its class and is also the most awarded minivan over the last seven years with more than 175 honors and industry accolades since its introduction as a minivan.

Chrysler is part of the portfolio of brands offered by leading global automaker and mobility provider Stellantis. For more information regarding Stellantis (NYSE: STLA), please visit [www.stellantis.com](http://www.stellantis.com).
