February 1, 2019, Auburn Hills, Mich. - This year, instead of advertising in the Big Game, FCA US debuted seven commercials online this week as part of its “Big Game Blitz” strategy. The final two videos – the Ram brand’s “ [Roll Rams Roll](#)” and “ [4th Quarter Fight](#)” – launched today, Friday, Feb. 1. FCA debuted the seven videos across the Dodge, Jeep® and Ram brand digital and social channels, including YouTube, Facebook, Twitter and Instagram.

Olivier Francois, Chief Marketing Officer, FCA US:

“The teams that get to the Big Game do it by breaking through. By breaking out. By making big plays at the right time and taking calculated chances. We’re no different.

This year, we will exclusively use social and digital to showcase our commercials. We decided to explore innovative ways to ride the wave of highly engaged viewers, during the one time of the year when the commercials are fun and everybody is talking about them. With this new approach, we are able to engage with the audience through more creative executions than ever before leading up to this Sunday night.

We feel like the football teams who must constantly change their strategy to make it to the Sunday night’s match-up. But unlike them, we don’t need to be in the Big Game to change the game.”

The seven videos that debuted across the Dodge, Jeep and Ram brand social channels this week can be viewed below:

Ram Brand

“[Roll Rams Roll](#):” Grammy-nominated rock group Greta Van Fleet’s “Highway Tune” is the backdrop to the Ram brand’s video “Roll Rams Roll,” which features a herd of rams making their way across the nation to Atlanta, Georgia. “[4th Quarter Fight](#):” The 60-second spot “4th Quarter Fight” pays homage to all of the hardworking people and off-the-field players that give everything they have, beyond the 15 minutes in the fourth quarter of a football game. Ram brand’s “4th Quarter Fight” was created in partnership with Highdiver.

“[Make Sure of It](#):” Building upon the Ram Truck brand’s “Next Generation” campaign, which focuses on instilling values and confidence in our children, the new long-form “Make Sure of It” video introduces Academy® Award-nominee Jeremy Renner as the new voice of the Ram Truck brand. The Ram Truck brand’s “Make Sure of It” was created in partnership with Doner. The “Next Generation” campaign was created in collaboration with Austin, Texas-based GSDM.
