2020 Dodge Grand Caravan Fact Sheet

September 1, 2019, Auburn Hills, Mich. - As America's best-selling minivan ever, the Dodge Grand Caravan continues its decades-long history of offering families style, versatility and useful features at a tremendous value. Since inventing the segment for the 1984 model year, FCA US LLC has introduced scores of minivan firsts, including ParkView rear backup camera, Stow 'n Place roof rack and selectable fuel economizer mode. One innovation that continues is the Grand Caravan's available industry-exclusive Stow 'n Go seating and storage system, which can be easily operated with one hand, allowing users to convert from carrying seven to hauling cargo in a matter of seconds. The Grand Caravan is equipped with more than 55 available safety, security and technology features.

As the first company to introduce the minivan and through six generations of the vehicle, FCA US has innovated 115 minivan firsts. The company has sold more than 14.6 million minivans globally since 1983, twice as many as any other manufacturer over the past 35 years.

New for 2020:

- Grand Caravan SE Plus features standard second-row Super Stow 'n Go bucket seats and in-floor storage bin, power eight-way driver seat, an all-black interior with Cranberry Wine accent stitching on the seats and optional Blacktop Package (SE Plus and SXT models)
