2020 Jeep® Cherokee Fact Sheet

August 31, 2019, Auburn Hills, Mich. - The 2020 Jeep® Cherokee – the most capable midsize sport-utility vehicle (SUV) – boasts a refined, authentic and premium design, along with an advanced 2.0-liter inline four-cylinder (I-4) turbocharged engine that enhances performance and fuel efficiency.

Jeep Cherokee's evolution offers more interior comfort and convenience, delivering everyday practicality with outstanding ride-and-handling characteristics, independent front and rear suspension systems with world-class body torsional stiffness and a choice of three different engine offerings mated to an enhanced, high-efficient nine-speed automatic transmission.

New for 2020:

- Advanced Safety Group (Lane Departure Warning-Plus, Forward Collision Warning-Plus, rain-sensing wipers) available on Latitude, Latitude Plus, Limited and Overland models
- Alexa Skill Technology available on Uconnect 4C/4C NAV with 8.4-inch display
- Sangria and Spitfire Orange exterior paint colors
- Latitude models receive standard 17-inch aluminum wheel
- Available 19-inch wheel on Limited model
- Ski Grey interior available on Latitude Plus model

Highlights:

- Best-in-class capability:
    - Choice of 2.0-liter I-4 turbocharged, 2.4-liter I-4 or 3.2-liter V-6 engines, also with three available four-wheel-drive systems that raise the standard for midsize SUVs with Jeep Selec-Terrain traction control system with up to five customized modes (Auto, Snow, Sport, Sand/Mud and Rock), and best-in-class V-6 towing capability: 4,500 pounds and up to a 56:1 crawl ratio for low-range traction
- Fuel economy:
    - Up to 31 miles per gallon (mpg) highway on 2.0-liter I-4 turbocharged engine and standard 2.4-liter I-4 engine; optional 3.2-liter Pentastar V-6 engine with stop-start technology, which delivers best-in-class V-6 fuel economy (29 mpg highway); standard nine-speed automatic transmission; and industry-first rear-axle disconnect, resulting in reduced energy loss when 4x4 capability isn't needed, and improved fuel efficiency
    - 2.0-liter I-4 turbocharged engine – one of the most technologically advanced engines in the automotive industry, optimizes premium performance and fuel economy up to 31 mpg with greenhouse gas (GHG) reduction enabler (270 horsepower and 295 lb.-ft. of torque)
- Refined front design, including front fascia, hood, premium LED headlamps, daytime running lamps and fog lamps
    - Front lightweight aluminum hood evolves the Cherokee's unique waterfall grille design to more closely align with the latest Jeep brand styling
    - Front bi-LED projector headlamps incorporate signature Cherokee daytime running lamps feature as a singular component
- Rear features include lightweight composite and hands-free power liftgate

- Increase in rear cargo storage space of four cubic feet and retuned suspension packages for improved ride comfort

- The 2020 Jeep Cherokee receives the latest Uconnect systems that include easy-to-use features, enhanced processing power, faster start-up times and touchscreens, which display high-resolution graphics, including Apple CarPlay and Android Auto software

- More than 80 available advanced safety and security features
