2020 Dodge Durango Pursuit Fact Sheet

September 1, 2019, Auburn Hills, Mich. - The Dodge Durango Pursuit will celebrate its first anniversary on U.S. roadways after its critically acclaimed introduction in August 2018. The Pursuit has been on the forefront of an overall push by law enforcement agencies to expand their fleets by adding fast, but fuel-efficient SUVs.

With its successful introduction, there are no changes for the 2020 model year. The Durango Pursuit is equipped with a Uconnect 7.0-inch display, which integrates law enforcement systems and innovative technology.

In addition to the legendary 5.7-liter HEMI® V-8 engine that delivers a best-in-class 360 horsepower, Durango Pursuit offers the segment's most advanced all-wheel-drive (AWD) system for maximum tactical performance, all-weather traction and fuel efficiency. With input from law enforcement officials, the 2020 Durango Pursuit continues to add improvements to meet the high expectations and performance needs of the heroes who protect us.

Highlights:

- All Durango Pursuit models feature AWD and offer the standard 3.6-liter Pentastar V-6 engine rated at 293 horsepower and 260 lb.-ft. of torque or the available 5.7-liter HEMI V-8 model that's rated at a best-in-class 360 horsepower and 390 lb.-ft. of torque
- Dodge Durango Pursuit V-8 includes the segment's most technologically advanced AWD system with a segment-exclusive active transfer case to improve real-world fuel economy while also enhancing the vehicle's traction and handling
- Pursuit-rated hardware: performance-tuned suspension, load-leveling NIVOMAT shocks,
- 13.8-inch front and 13.0-inch rear pursuit-rated brake package, front- and rear-stabilizer bars, 18-inch tires on aluminum wheels and electronic stability control (ESC)
- Up to an EPA-estimated 25 miles per gallon (mpg) highway with the 3.6-liter Pentastar V-6 and 22 mpg highway with the 5.7-liter HEMI V-8 engine
- 2019 Durango Pursuit is available with a spot lamp wiring prep package, red/white auxiliary dome lamp and, when equipped with a HEMI V-8 engine, 800 cold cranking amp (CCA) battery
- Best-in-class 7,200-lbs. towing capability and available trailer tow
- Under-vehicle mount for spare tire, maximizing interior cargo space and accessibility
- 8.1 inches of ground clearance for off-road capability
- Electronic eight-speed transmission for improved responsiveness and fuel economy
- Class-exclusive, K-9-friendly tri-zone interior temperature control
- Segment's longest wheelbase (120 inches) for added stability and handling
- ParkView rear backup camera with ParkSense
- Eight-way power adjusting driver seat controls
- Certified speedometer
- 220-amp alternator
- Heavy-duty oil cooler and water pump

Dodge//SRT

For more than 100 years, the Dodge brand has carried on the spirit of brothers John and Horace Dodge. Their influence continues today as Dodge shifts into high gear with muscle cars and SUVs that deliver unrivaled performance in each of the segments where they compete.

2021 marks the year that Dodge is distilled into a pure performance brand, offering Hellcat-powered, 700-plus-horsepower SRT versions of every model across the lineup. For the 2021 model year, Dodge delivers the drag-strip dominating 807-horsepower Dodge Challenger SRT Super Stock, the new 797-horsepower Dodge Charger SRT Redeye, the most powerful and fastest mass-produced sedan in the world, and the new 710-horsepower Dodge Durango SRT Hellcat, the most powerful SUV ever. Combined, these three muscle cars make Dodge the industry's most powerful brand, offering more horsepower than any other American brand across its entire lineup.

In 2020, Dodge was named the "#1 Brand in Initial Quality," making it the first domestic brand ever to rank No. 1 in the J.D. Power [Initial Quality Study](#) (IQS). The Dodge brand also ranked No. 1 in the J.D. Power [APEAL Study](#) (mass market). These results are historic because it marks the first time a domestic brand has earned top spots in both J.D. Power studies in the same year.

Dodge is part of the portfolio of brands offered by global automaker Fiat Chrysler Automobiles. For more information regarding FCA (NYSE: FCAU/ MTA: FCA), please visit www.fcagroup.com.
