All-new Jeep® Gladiator Named Best Off-road Vehicle by Sobre Ruedas at Miami Auto Show

November 1, 2019, Miami Beach, Fla. - The all-new [2020 Jeep® Gladiator](#) – the most capable Jeep truck ever – was named the “Best Off-Road Vehicle” for 2019 by Sobre Ruedas, the leading Spanish-language automotive radio show in the United States.

"The Jeep Gladiator is a midsize truck that truly dominates in both on- and off-road driving while providing a high level of versatility that today's customers demand," said Jaime Florez, director and host of Sobre Ruedas. "No other truck of any size offers the unique experience of open-air driving while also having the capability to tackle any obstacle thrown its way, all in a very attractive package."

The 2019 Sobre Ruedas awards ceremony took place today at the Miami Beach Convention Center as part of the 49th edition of the Miami International Auto Show.

The Sobre Ruedas executive committee was responsible for generating the nominations. A group of automotive industry experts selected the winners of the 12 basic categories, in addition to the top prize, the Sobre Ruedas Vehicle of the Year.

All-new 2020 Jeep Gladiator

The all-new 2020 Jeep Gladiator, the most capable Jeep truck ever, builds on a rich heritage of tough, dependable Jeep trucks with an unmatched combination of rugged utility, authentic Jeep design, open-air freedom, clever functionality and versatility.

Available with three different powertrain combinations and equipped with a versatile cargo box, Gladiator is built to handle the demands of an active lifestyle while delivering an open-air driving experience in a design that is unmistakably Jeep. Combining traditional Jeep attributes with strong truck credentials, the Jeep Gladiator is a unique vehicle capable of taking passengers and cargo anywhere. A multitude of technology features, such as Apple CarPlay and Android Auto, and safety features, such as Blind-spot Monitoring and Rear Cross Path detection, adaptive cruise control and Forward Collision Warning-Plus, further Gladiator's appeal.

All Gladiator models are Trail Rated with a badge indicating that the vehicle is designed to perform in a variety of challenging off-road conditions identified by five key consumer-oriented performance categories: traction, ground clearance, maneuverability, articulation and water fording. Gladiator Rubicon models are equipped with signature red tow hooks, Rock-Trac® 4x4 system, featuring a two-speed transfer case with a 4:1 low-range gear ratio, front and rear heavy-duty Dana 44 axles, Tru-Lok® electric front- and rear-axle lockers, segment-exclusive electronic sway bar disconnect, cab and bed rock rails and standard 33-inch Falken Wildpeak All-Terrain off-road tires.
