December 4, 2019, Auburn Hills, Mich. - The [Chrysler Pacifica](#) and [Ram 1500](#) are celebrating Consumer Guide® Automotive Best Buy Awards in the Minivan and Large Pickup categories, extending impressive win streaks in their respective segments.

Consumer Guide editors select the winners after analyzing, comparing, evaluating and extensively testing all major models available in the United States.

“As the winner of the Best Buy crown for the fourth year in a row, the Pacifica offers class-leading horsepower and fuel economy, excellent road manners and ride quality, and an unmatched array of family-friendly features ... all wrapped up in a stylish package,” said Tom Appel, publisher of Consumer Guide Automotive. “The 2020 Ram 1500 offers an unbeatable ride/handling combination along with a high level of refinement, premium cabin appointments and unique features.”

Chrysler Pacifica, the most awarded minivan since 2016 with more than 125 industry accolades, is the minivan category winner for the fourth year in a row, claiming the Consumer Guide Automotive Best Buy award in the Minivan segment each year since its debut.

New for 2020, the [Chrysler Pacifica Red S Edition](#) brings a new look and a huge burst of attitude and color to Pacifica's already class-leading functional interior. The exclusive Red S interior features Rodèo Red premium Nappa leather two-tone seats accented by Light Diesel Grey stitching and piping and an “S” logo on the seatbacks. Silver Metal Brush hydro bezels embellish the instrument panel and door trim.

Exterior finishes include a Red S liftgate badge and Black Noise Chrysler wing badges with Velvet Red inserts. The Pacifica Red S Edition rides on 20-inch wheels (18-inch on Pacifica Hybrid) with a Black Noise finish. The package is rounded out by standard Advanced SafetyTec, featuring more than 100 safety and security features, 20-speaker Harman Kardon premium audio and KeySense.

The Ram 1500, the no-compromise benchmark for durability, technology, efficiency and convenience with features never before offered in a pickup, is celebrating its 12th straight win in the Large Pickup category, dating back to 2008.

The Ram 1500 features up to 12,750 pounds of towing capability and 2,300 pounds of payload. The eTorque mild hybrid system delivers improved fuel efficiency in both V-6 (standard) and V-8 configurations.

For 2020 the Ram 1500 becomes America's most powerful half-ton diesel pickup with 480 lb.-ft. of torque and is the most capable light-duty diesel, with towing capability up to 12,560 pounds. The all-new third-generation 3.0-liter V-6 EcoDiesel engine propels the 2020 Ram 1500 to an industry-leading range, exceeding 1,000 miles on a single tank of fuel.

Consumer Guide Automotive editors analyze, compare and evaluate numerous vehicles by extensively testing all major models available in the United States. According to Consumer Guide Automotive, a vehicle does not become a Best Buy based solely on objective ratings; Best Buys also distinguish themselves as good values compared to other vehicles in their class.
