August 25, 2020, Auburn Hills, Mich. - For the second consecutive year, Autotrader is honoring Chrysler Pacifica and Jeep® Wrangler on its list of 10 Best Cars for Dog Lovers.

Autotrader marks National Dog Day, Aug. 26, by releasing its curated list of the 10 Best Cars for Dog Lovers. With many people choosing to hit the road instead of the air for travel this year, Autotrader's list is more important than ever in helping owners choose a vehicle that is comfortable and convenient for all family members, especially the furry ones.

"Trips around town or to local destinations have become an important part of our lives these last few months, and for many people that means bringing along their pets as they hit the road," said Brian Moody, executive editor at Autotrader. "To help new-car buyers that are traveling with four-legged friends, we've carefully curated a list of the best cars that offer great comfort and safety features while also making the lives of pet parents just a little easier."

The recognition is the latest to callout the family friendliness of Pacifica, which is the most awarded minivan over the last four years with more than 135 honors and industry accolades. The Pacifica's Stow 'n Go seating allows seats to fold into the floor in order to make way for pet kennels. Even more canine-friendly features are on tap for the [2021 Chrysler Pacifica](#), scheduled to arrive in dealerships in the fourth quarter, including a new FamCAM interior camera that allows those in the front to view occupants in the rear and even zoom in on doggie passengers.

The iconic [Jeep Wrangler](#) isn't just perfect for the off-road adventure, but also a top choice when it comes to taking Fido along to the trail. Mopar accessories are available to complement the pet-friendly features of the Wrangler, as well as the Pacifica. Dog lovers can choose from a lightweight Mopar pet kennel, as well as all-weather floor mats and cargo mats to protect their vehicle's interior.
