**Plant History:** Facility was built in 1942 and purchased by Chrysler Corporation in 1964. Major expansions were implemented in 1965 and 1998. In August 2010, the Company announced it would invest \$27.2 million to produce front and rear crossmembers for future vehicles.

**World Class Manufacturing Accomplishments**

Etobicoke Casting was awarded bronze status for its efforts in implementing World Class Manufacturing (WCM) on Feb. 28, 2019. WCM is a methodology that focuses on eliminating waste, increasing productivity, and improving quality and safety in a systematic and organized way. WCM engages the workforce to provide and implement suggestions on how to improve their jobs and their plants, promoting a sense of ownership.
