- Surf Blue Pearl Coat exterior color replaces Jeep Green Metallic Clear Coat
- Natural Green Pearl Coat exterior color replaces Detonator Yellow
- Liquid Charcoal Pearl Coat exterior color replaces Sunburst Orange Pearl Coat

September 15, 2009, Frankfurt, Germany -

With room for five adult passengers, the Jeep® Wrangler Unlimited four-door features class-leading off-road capability and everyday practicality.

Jeep Wrangler Unlimited adds a new and improved Sunrider® soft top, making it even easier to remove the top for that open-air experience on- or off-road.

The Sunrider soft top is redesigned with a new cable-top system that allows customers to easily open and close the top within minutes. The improved soft top features a simplified removal system that eliminates the need to un-tuck and tuck the side rails when opening and closing the top.

In addition to the Sunrider soft top, which includes a “sun roof” and full top-down option, Jeep’s Freedom Top® three-piece modular hard top also is offered. This system features three panels that provide even more options for open-air driving.

In major European markets, the Jeep Wrangler Unlimited offers fog lamps, larger sliding sun visors with mirrors, and compass and outside temperature display.

The Jeep Wrangler Unlimited Rubicon model offers an Active Sway Bar System. The electronic-disconnecting front stabilizer bar delivers additional wheel travel for challenging terrain.

The Jeep Wrangler Unlimited is powered by a 3.8-liter V-6 petrol engine producing 151 kW (202 hp DIN) and 321

N•m (237 lb.-ft.) of torque, backed by a six-speed manual gearbox or an available four-speed automatic transmission. An optional 2.8-liter Common-rail Diesel (CRD) turbo diesel generates 130 kW (177 hp DIN) and 410 N•m (302 lb.-ft.) of torque and comes with the standard NSG370 six-speed manual gearbox.

Jeep Wrangler Unlimited Sport and Sahara models are equipped with Command-Trac® NV241 part-time, two-speed transfer case with a 2.72:1 low-range gear ratio. An optional Trac-Lok® limited-slip rear differential provides extra torque and grip during slippery, low-traction situations such as driving over sand, gravel, snow or ice.

The Jeep Wrangler Unlimited Rubicon model is equipped with an Off-Road Rock-Trac® NV241 two-speed transfer case, as well as electric front- and rear-axle lockers, an electronic sway-bar disconnect and 32-inch off-road tires.

The Jeep Wrangler Unlimited Sahara and Rubicon models now offer monotone leather seating.

Jeep® Wrangler Unlimited

AT A GLANCE

4x4x4

- Four-door versatility with the capability, fun and freedom found only in a Wrangler
- All four doors on the Jeep Wrangler Unlimited have windows that lower completely
- Power windows with front one-touch down operation are available with plug-in/out capability and allow doors to be easily removed. Rear doors open a full 90 degrees and provide a 774.7 mm-wide opening

First four-door Wrangler expands the Jeep experience

- Capability
  o Maintains Wrangler two-door's best-in-class off-road capability with a 44.6-degree approach angle and 40.6-degree departure angle
  o Electronic-disconnecting front sway bar increases suspension articulation
  o Equipped with solid front and rear axles, axle lockers, skid plates, tow hooks and available 32-inch off-road tires
  o Available towing capacity of 3,500 lbs. provides more capability
- Interior space and comfort
  o 2947.2 mm wheelbase is 523.2 mm longer than the two-door Wrangler, yet overall vehicle width essentially is the same
  o Room for five passengers – including a rear-seat package and storage capacity competitive with mid-size SUVs
  o 1.31 cu. m of cargo space behind rear seats
  o Front-seat area boasts 1.55 cu. m. of space
  o Rear seats feature ample room for adults, with 944.9 mm of leg room and 1440.0 mm of hip room
  o 2.46 cu. m of cargo volume behind front seats
- Power
  o 3.8-liter V-6 engine with 151 kW (202 hp DIN) and 321 N•m (237 lb.-ft.) of torque includes a standard six-speed manual transmission or four-speed automatic transmission
  o An optional 2.8-liter Common-rail Diesel (CRD) turbo diesel generates 130 kW (177 hp) and 410 N•m (302 lb.-ft.) of torque and comes with the standard NSG370 six-speed manual gearbox
- On-road refinement
  o Stiffer frame compared to previous generation
  o Wheelbase increased 523.2 mm (to 2947.2 mm from 2424.1) compared with standard Wrangler, which contributes to a smooth ride and quiet cabin
  o Lower spring rates, advanced shock tuning and powertrain and body mounts isolate the passenger compartment from vibrations
- Open-air fun
  o Only four-door 4x4 convertible available on the market
  o Sunrider® soft top provides open-air driving, while an available three-piece hardtop – Jeep's Freedom Top® – provides even more options
- Safety features
  o Hill-start Assist (HSA)

- o Advanced Multi-stage Air Bags
- o Anti-lock Brake System (ABS)
- o Brake Assist
- o LATCH (Lower Anchors and Tethers for CHildren)
- o Electronic-roll Mitigation (ERM)
- o Electronic Stability Control (ESC)
- o Energy-absorbing Steering Column
- o Seat-belt Pretensioners
- o Seat-mounted Side Air Bags
- o Tire-pressure Monitoring (TPM)

True to Jeep heritage

- With its distinguished form-equals-function design, Wrangler Unlimited is clearly recognizable as the original Jeep
- Classic round headlamps, signature seven-slot grille, wide wheel flares, exposed forged hinges, fold-down windshield, sport bar, removable tops and doors, and washable interior

Rugged Jeep character with many convenience features

- The Wrangler Unlimited retains Jeep core values of adventure, freedom, mastery and authenticity and takes the existing Jeep Wrangler formula to the next level with many conveniences
- Uconnect™ Navigation with Uconnect Phone, six-disc stereo and MP3 player provide the latest technology
- Power windows and door locks on full doors designed so doors may be easily removed
