## **Chrysler Group LLC Reports May 2010 U.S. Sales Increased 33 Percent, Topping 100,000 Units**

- Chrysler Group LLC posts a 33 percent sales increase compared with May 2009
- The company sold more than 100,000 units in U.S. for the first time since March 2009, reaching 104,819 units
- May marks the fourth consecutive month of month-over-month sales increases, and the second consecutive month of year-over-year sales increases
- Chrysler, Dodge, Jeep® and Ram brands all posted year-over-year sales increases
- All-new 2011 Jeep Grand Cherokee, which was awarded the Insurance Institute For Highway Safety's 'Top Safety Pick,' will arrive in local Jeep dealerships in June

June 1, 2010, Auburn Hills, Mich. - Chrysler Group LLC today reported a U.S. sales increase of 33 percent, the second consecutive year-over-year percentage sales improvement, and the first time that monthly sales have topped the 100,000 threshold since March 2009.

"May was another positive sign as sales momentum continues to build for Chrysler Group, exceeding the 100,000 unit threshold for the first time in more than a year," said Fred Diaz, President and Chief Executive Officer – Ram Truck Brand and Lead Executive for U.S. Sales. "The company continues to show improvement each month, with May being our strongest month this year, exceeding overall industry growth for the second month in a row."

Chrysler Group LLC reported total U.S. sales for May of 104,819 units, an increase of 33 percent versus May 2009 (79,010 units). Sales increased 10 percent compared with April 2010 (95,703 units). Chrysler Group finished the month with a 49-day supply of inventory (196,210 units), a 25 percent decline versus May 2009 (260,407 units). Overall, U.S. industry sales figures for May are projected at an estimated 11.9 SAAR, the best month to date for the industry in 2010.

"The production launch of the all-new 2011 Jeep Grand Cherokee in May signaled the product rebirth of the Chrysler Group, it is a signature vehicle for the company. It represents the best of Chrysler Group, the direction we're moving toward producing high-quality, technologically-advanced vehicles. It is the first of 16 all-new or significantly refreshed vehicles the company is introducing this year," added Diaz. "We are anticipating that there will be strong customer demand for the all-new 2011 Jeep Grand Cherokee adding to the company's momentum as we enter the summer months."

With the all-new 2011 Grand Cherokee, Jeep has created the benchmark, premium SUV. Unique innovations such as our new Quadra-Lift™ air suspension and Selec-Terrain™ traction control systems separate Jeep from the crowd and take the Grand Cherokee to the next level of 4x4 capabilities. The new generation of the iconic Jeep Grand Cherokee delivers the perfect blend of on-road refinement, superb craftsmanship, world-class design, improved fuel economy, innovative features and legendary, real-world capability.
